Petitions Out For 1967 City Elections

Five Persons Obtain
Forms; Two in City
Race, 3 in Township

Petitions of candidacy for city and township offices in the 1967 Granite City April 4 elections have been obtained by five persons who apparently plan to be among those filing petitions immediately after the filing period opens Jan. 9.

Petitions are available from City Clerk Homer Pendleton with whom petitions may be filed between Jan. 9 and Feb. 13.

Among those obtaining petitions this week as candidates for city offices are William W. Field, 246 Warren avenue, for city superintendent of streets, a position he now holds, and Gerald Parnley, 3221 West 13th avenue, incumbent, Sixth Ward. Parnley was elected two years ago to fill an unexpired term.

Three others obtained petitions of candidacy as assistant township supervisors. Three such offices are open to election next year.

Township Candidates

Those obtaining petitions include two of the incumbents whose terms expire—Mrs. Mary Ann Gaughan, 2108 Edwards street, and Carl H. Roach, 2640 Edison avenue. The other term expiring is that of William Webb. The third candidate to obtain petitions is Leroy Mangiaracina, 365 Kirkpatrick. Incumbent.

The township and city elections will be held at the same time on April 4. Municipal elections also will be held in Venice, Madison, Ponton Beach and other cities and villages of Madison county.

Granite City has eight aldermen, a superintendent of streets and three assistant supervisors. Granite City aldermen whose terms are expiring are Charles Moerlein, First Ward; Sam Whitmer, Second Ward; Clyde Boyd, Third Ward; Claude Green, Fourth Ward; Norman Fifth Ward; Gary Starnley, Sixth Ward; G. H. Sternberg, Seventh Ward; and Earl Thompson, Eighth Ward.

While the Granite City elections will be held on April 4, those of Madison, Venice and Ponton Beach are held under different election laws and are scheduled on April 18, with the first day for filing petitions of candidacy on Jan. 23, and Feb. 27 as the last day for filing petitions. The last day for filing petitions in the Granite City elections and the withdrawal deadline in the other municipalities will be March 4.

To Elect 5 Aldermen

Petitions of candidacy in the Venice election, where four aldermen will be elected in the city, and one for a two-year unexpired term, will be available from William "Mike" Eberold. No requests for petitions

Burglars Clean Out Garage; Get \$2000 in Tools

Burglars broke into the Wilbur Waggoner Trucking Co. garage, 1548 Market street, Madison, Tuesday night or early Wednesday and apparently used a truck to haul away tools and repair equipment valued at more than \$2000.

Wilbur Waggoner, operator of the firm, told police a lock was broken off the door of the north side of the building, but that the tools and equipment possibly were loaded into a truck from the south door.

Waggoner said the burglars virtually cleaned out the garage of every tool and piece of repair equipment, although they left behind one portable welder. Among items taken, Waggoner said, was a portable welding machine with 20 feet of cables valued at \$400 and three cutting torches, each worth \$150. He said value of hand tools alone would be \$1000.

Home Looted

The home of James W. C. Smith, 2936 Fortune drive, was the scene of a burglary between 6:20 and 7 p.m. Wednesday, he reported at 8:40 p.m. Entry was gained by breaking a glass in the side door.

Taken were a 19-inch portable television set, a man's wedding ring, a set of lady's wedding rings valued at \$300, a class of 1959 ring from Summerville high school, an automatic camera valued at \$85, a silver watch, a tape recorder valued at \$52, a pair of light green trousers and a plaid shirt valued at \$15, and about \$68 in cash and a jar of pennies.

Luggage Stolen

William A. Scherard Sr., Bruce Crossing, Mich., reported at 4:50 a.m. Wednesday that his clothing and luggage were stolen from his 1967 auto while he was on the Travelodge parking lot after 7 p.m. Tuesday. The right front window was forced open.

A 1953 auto was reported stolen from Gordon Beswick, 4216 Nantucket road, while it was parked at 18th street and Edison avenue after 6:30 a.m. Tuesday. It was recovered at 9:45 a.m. Wednesday by police in the 2000 block of Cleveland Blvd.

A 1963 auto stolen from the Jack Hart auto sales, 1150 N. Indiana street, during the holiday weekend was recovered by police on 21st street and Edison avenue on Tuesday. Nine sets of stolen car keys also were stolen.

A 1963 auto stolen from the Jack Hart auto sales, 1150 N. Indiana street, during the holiday weekend was recovered by police on 21st street and Edison avenue on Tuesday. Nine sets of stolen car keys also were stolen.

17 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

(Continued on Page 27, Col. 7.)

New Ward Plan Under Fire by 6 Aldermen

Ordinance to Outline
New Boundary Lines
Now Being Prepared

An ordinance outlining new boundaries for Granite City's eight wards is to be prepared by City Atty. Allen on instructions given Tuesday night by the city council.

Approval of the preparation was by a 10-to-6 vote with strong protests by Second Ward Aldermen Samuel Whitmer. Others opposing the changes were Bartosiek, also of the Second Ward; First Ward Aldermen Moerlein and Dallas, Green of the Fourth Ward and Robertson of the Seventh Ward.

The proposal initially was submitted to the council at the Dec. 19 meeting, but action was deferred so details could be studied.

Goals of Plan

Aldermen Rutledge, chairman of the seven-member Redistricting committee, explained the prime goals are to equalize population as closely as possible within the new proposed wards, and keep the township's 32 precincts intact for voting purposes.

The city's 21 voting precincts have caused considerable election day confusion since 1955, when the city jumped from seven to eight wards and decided to have its own voting precincts.

Since that date, hundreds of Granite Cityans have been forced to go to two polling places in city-township elections. The 1960 ward plan was designated by the county board of supervisors.

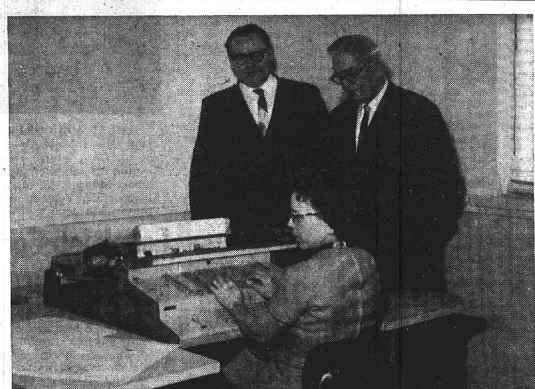

No One Unseated

In revamping ward boundaries, Rutledge said care was exercised not to unseat any of the 16 aldermen, and to do this required only breach of the precinct lines for the 2000 blocks of State street and Edison avenue where Whitmer and Bartosiek reside.

Whitmer pointed out that a late-comer to the redistricting committee, but that he was protesting the "odd shapes" of several wards. "I am for an outside firm to do the job and square off the wards and let the chips fall where they may. We have to follow the township lines," he told the council.

The alderman was protesting removal of a large section of the ward and putting it into the outside firm. "These changes are while giving the old Second Ward an 'hour glass' shape to pick up new areas. He noted that the First Ward would tend from behind the mill 'all the way out into the Nantucket area'."

Whitmer added that the new design for the Fourth Ward was

NEW \$13,000 COMPUTER being placed in operation at the city hall in Granite City for more detailed record keeping and faster billing. Mrs. Helen Shepard is operating the machine as Comptroller Robert Stevens (left) and Treasurer E. R. Rich look on.

New Dual Record System for City Finances

A new dual-system of double entry record accounting recommended by the city's auditor, coupled with the operation of a new \$13,000 computer, has resulted in the need for an added office worker at the city hall.

Granite City council members of the city's Finance committee were advised Tuesday night by letter from Jack Higgins, accountant, that the dual record system is required by law to be operated by the city's auditor, coupled with the operation of a new \$13,000 computer, has resulted in the need for an added office worker at the city hall.

Aldermen Rutledge, chairman of the city's Finance committee, was advised Tuesday night by letter from Jack Higgins, accountant, that the dual record system is required by law to be operated by the city's auditor, coupled with the operation of a new \$13,000 computer, has resulted in the need for an added office worker at the city hall.

Large Turnout, Savings

Sternberg pointed out the April 4 date would assure a good turnout of voters and save the city 90% in election costs, but Nann objected that the bond vote would become an issue among candidates in aldermanic races.

Nann's term is expiring.

"I have an organization, and it will be instructed to vote against the bond issue, and there'll be a big turnout of voters in the Fifth Ward," Nann stated.

Siding with him were Basarich and Bartosiek.

Basarich said the bond issue vote would be involving eight aldermen seeking election, and Bartosiek said the extra ballot could cause difficulty in hiring poll judges. "They're hard enough to get now at \$28 a day without adding any extra work," he said.

Before the vote was taken on

the dual sets of books are established in the hall in Granite City. He was chided by several other aldermen who recalled that when the computer machine was ordered, the city was told it would replace 17 workers.

Rutledge explained the new dual-record system was outlined by Higgins at a meeting of the Finance committee as a safeguard for the finances of the city. The new machine is in the office of Comptroller Robert Stevens, and there will be two operators—one for the comptroller and the other for City Treasurer E. R. Rich.

The new computer also will be used to prepare bills for sewer rentals and sewage treatment charges.

Also to be instituted is a new procedure for preparing monthly financial reports for the council. The new reports, Rutledge said, will list budget totals for each department so aldermen can tell at a glance if expenditures tend to exceed the budgeted amount.

While no final decision was reached, Rutledge pointed out several legal opinions received by the city from the Illinois Municipal League and local lawyers indicate the handling of the sewer rental and sewage treatment charges, billing, and collection should be by the comptroller and treasurer.

The council had been called to assign the billing task to the city clerk and the collection to the city treasurer. The comptroller has been doing both jobs.

In one legal opinion, Rutledge noted that use of the word clerk in state statutes means comptroller when relating to finances. If the city has a comptroller, he explained that originally, when the city was small, there was only one clerk, the city clerk, and a treasurer was added and also a comptroller, and under state law they assume duties formerly handled by the clerk.

(Continued on Page 27, Col. 1.)

Technicians To Meet on Clean Air Standards

Madison, Venice
Get \$14,900 Grant
To Finance Plans

(Special from Washington)

The federal Housing & Urban Development Department has approved a matching grant of \$14,900 to help finance comprehensive planning for the cities of Madison and Venice for the next two years, the office of U. S. Rep. Melvin Price announced today.

The amount represents two-thirds of the total cost of \$22,350, proposed by the Southwestern Illinois Metropolitan Area Planning Commission which is to do the work. The two cities will provide \$7450, based on population.

The Illinois communities were named for grants by HUD totaling \$64,780 for comprehensive planning for growth and development. The others are River, Eff, Fallou, Mascoutah and Freeburg.

**2 Persons Hurt
As Auto Skids
On Patch of Ice**

Two persons were injured when an auto driven by Michael J. Firtos, 18, St. Louis, slid sideways into the opposite lane on icy pavement after making a left turn at Johnson and Ponton roads and collided with a Ponton road and collided with an auto driven by Randall Klein, 316 Madison street, at 4:35 p.m. Wednesday.

Admitted to St. Elizabeth Hospital was Eva Shearer, 55, of 2500 Benton street, a passenger in the Firtos auto. She suffered cuts and abrasions and Firtos suffered minor injuries.

Nora, 24, of 2431 St. Clair avenue, was injured when an auto driven by her husband, William Pernicka, was involved in a three-auto accident at 4:55 p.m. Tuesday at 23rd street and Madison avenue.

The Pernicka auto collided with another driven by Victor L. Wiser, 2822 Benton avenue. The Wiser car was in a spin and hit the front of the parked auto of Elvin Siebert, 25 Duarado drive. Wiser was charged with careless driving and was summoned for a hearing by Wednesday.

Mrs. Wanda Melton, 33, of 2441 East 25th street, was admitted to St. Elizabeth Hospital for observation at 6:40 p.m. Tuesday following an accident on Highway 102 a mile west of Highway 102. She was in a very nervous condition. Details of the mishap were unavailable.

(Continued on Page 27, Col. 1.)

Hospital Is Ready For 1st Baby Race

Preparations are well under way to greet the winner of the annual race for the "Stork Sweepstakes" that occurs each New Year's day at St. Elizabeth Hospital.

Again this year, the Granite City Jaycees and local merchants are sponsoring the welcoming project which provides a layette and other gifts for the mother and the first baby of the New Year.

Business firms cooperating in the project are the Granite City Jaycees and local merchants are sponsoring the welcoming project which provides a layette and other gifts for the mother and the first baby of the New Year.

The winning infant a year ago was Carol Denise Cooper, 16 pounds, seven ounce daughter of Mr. and Mrs. Dennis Cooper, 1722 Venice avenue, who arrived just 18 seconds after midnight.

New Patrolman Selected, Another Turns Job Down

Edward E. Wiesehan, 22 Briarcliff, was appointed as a probationary patrolman Tuesday night by the Board of Fire and Police Commissioners and the city council, effective Sunday.

A second appointment named Charles Ludwig, 2540 Jorden avenue, but he turned it down Wednesday afternoon because of other commitments.

Wiesehan, 28, has resided in Granite City for 3½ years. He has been employed as a steam plant in the Dow Chemical Co. plant in Madison.

He will attend a four-week, 160-hour state basic police training course at the Alton center of the Southern Illinois University. Southern Illinois campus starting Jan. 16. The course will cost the city \$190, but the state will refund half of the amount.

Meanwhile the commissioners

By Press-Record Staff Photographer
EDWARD E. WEISEHAN

are to recommend the appointment of another probationary patrolman. There were two vacancies on the police department caused by the retirements of Chief Raymond Willard and Lt. John Phillips.

BIRTHS..

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. William Bramel, 265 West Chain of Rock road, Dec. 28, Loralie, six pounds, 11 ounces.

Mr. and Mrs. Sherwood Blanton, P.O. Box 114, Granite City, Dec. 28, nine pounds, four ounces.

BOYS

Mr. and Mrs. Leonard Roberts, 2118 Willow avenue, Dec. 27, Gregory Leonard, seven pounds, five and one-half ounces.

Mr. and Mrs. Marvin Meng, 2904 State street, Dec. 27, Steven Wade, six pounds, 10 ounces.

Mr. and Mrs. Richard Kozikowicz, 2339 Edwards street, Dec. 27, Joel Edward, eight pounds, nine ounces.

Mr. and Mrs. Terrence Quinn, Glen Carbon, Dec. 27, seven pounds, eight ounces.

Mr. and Mrs. John Harris, 2713 Marshall avenue, Dec. 28, Robert Jr., five pounds, 12 ounces.

Roger Babson's Forecast of 1967 Financial and Business Conditions

Copyright, 1966, Publishers Financial Bureau, Inc.

By ROGER W. BABSON

The cycle of 1966 marks the seventeenth consecutive month in the life span of the longest business boom of all time for the American economy.

However, "trees do not grow to the sky."

Already, signs of deterioration in the expansive vigor that characterized the earlier phase of the business upswing have been appearing in 1966. Hence, the outlook for business and finance in 1967 is of greater-than-usual importance.

Sees No Depression

Leaders of this column be tempted to "push the panic button," however, let me state that it would be unwise to expect a major depression in 1967. Our greatly expanded economy still has a considerable degree of momentum.

The sparkling 1967, therefore, should focus upon those factors

which are likely to cause a breaching spell in economic activity.

Politicians and labor leaders have a phobia against even a hesitancy in business, and rush headlong into measures designed to treat a case of pneumonia when cold pills would be more appropriate.

Foreign Threat To U. S.

Although business and financial problems loom large in the prospects for 1967, I must first warn readers that the greatest danger for the year ahead does not exist on the domestic front. Surely it will be developments abroad that will hold the gravest threat to our country.

These could be economic as well as military or political.

I have seen war between the United States and Russia in 1967. However, tensions between the two world leaders may seem to be easing. The Kremlin point of view is that the Kremlin "goes all out" to create

diversions to our efforts in Vietnam. Look for Moscow to throw salt on festering wounds in the Middle East, Africa and Germany.

I am also hopeful that a direct clash between Red China and the U. S. can be avoided in 1967. Internal dissensions are rampant throughout Mainland China, and a great scramble for power is in full swing.

Subterranean help to unify the people; but pressing problems of low productivity, plus the demands of her nuclear program, should restrain Red China from direct attack upon the United States.

Internal Red Struggle

The struggle for leadership of the Communist world camp will continue unabated through 1967. Full political attack will be mounted by the Kremlin against Peking. It will be tough and go, however, whether Russia

(Continued on page 3, col. 1)

MORE ABOUT

Roger Babson

sia can persuade her wavering satellites to sign a final manifesto to reading Red China out of the Party.

5. Recent elections in West Germany have fanned the embers of nationalism into a tiny flame. This has surely thrown a scare into Russian leaders. I predict that they will take a harder line against Germany in 1967 than in some time.

6. I feel that we should particularly watch General de Gaulle, who is playing closer and closer to Moscow from month to month.

7. Heavily armed with Soviet weapons, the Arabs of the Middle East—squared off against Israel—present a grave threat to world peace.

8. Nevertheless, I do not believe that Russia or the United States can afford a direct confrontation at this time; hence my forecast that the smoldering conflagration there will not erupt into World War III.

No Vietnam Solution

7. While all reasonable people are hoping for a genuine peace in Vietnam, I predict that the issue will not be resolved in 1967. Though the tide of battle is swinging in our favor, we may be forced to increase our commitment in order to retain this upper hand.

8. I predict, therefore, that military spending will be raised in 1967. This can help soften the impact of any easing in the private sector of the economy.

9. Turning now to domestic conditions, I foresee a definite deceleration in business activity in 1967. The fantastic boom is in need of a rest.

Instead of the strong upturn of recent years, I look for a high level of industrial production early in the year; but unless

GL 2-3188

some new stimulus is introduced, I fear that a creeping-pattern is likely to develop as 1967 progresses.

10. I forecast a continuation of the tug of war between inflation and deflation in 1967. Tight credit, and increased productive capacity resulting from the flood of business capital expenditures in recent years, are deflationary. However, I can see no substantial relief from the inflation in labor and other operating costs. In short, we can have "cost-push" inflation co-existing with deflation.

11. A key factor in the business and financial outlook for 1967 is taxes. With defense outlays climbing, I look for a rise in corporate and personal taxes in 1967. Moreover, I forecast that various levies at the state and local levels will continue to increase.

12. The tightening tax squeeze on all fronts will worsen as the year advances. And there will be rising complaints from both businessmen and employees that social security taxes are becoming unbearable.

13. Results of the recent elections indicate that the heading run of the Great Society Program must take a breather along with the economy. Gains scored by the Republicans have altered the balance of power sufficiently to force a more sober look in public spending.

Less Capital Spending

14. One of the primary reasons for expecting a deceleration in the economy is the likelihood that business capital expenditures may ease. Tight credit, suspension of accelerated depreciation guidelines, and suspension of the tax credit on business capital outlays will be tough obstacles to surmount.

15. Except in defense industries, I look for an abrupt switch during 1967 from a business policy of inventory accumulation to one of inventory liquidation.

16. I forecast that scarcity of credit will continue to be a problem with which business must contend in the early part of 1967. The money managers should keep enough credit available for legitimate business needs, but I expect no early radical easing of credit.

17. However, I do foresee enough of an easing in credit to permit more orderly monetary conditions. If the economic situation falters badly, money rates will, of course, move downward sharply.

Construction Disappointing

18. I predict that commercial and industrial building will trend lower in 1967, reflecting the tapering off in capital outlays.

19. Mortgage money should remain scarce in 1967. Hence, residential building should see another disappointing year.

20. Nineteen sixty-seven opens with the building of single homes in a state of crisis. Starts are down over 40% from year-earlier levels. As a result, I forecast that the Administration will leave no stone unturned to stimulate construction of houses as soon as possible. At best, however, it may be midway or after before this impact of our country can contribute much stimulus to over-all business.

21. Although new housing starts may remain in the doldrums for most of 1967, I confidently forecast that the year will see the beginning of a great boom in construction of new, modern nursing homes.

Public Water Projects

22. Despite President Johnson's promise to cut back on public construction should enjoy a fairly good year; the emphasis will be on bridges, dams, and water and sewerage systems.

23. The expected declines in residential building and in commercial and industrial building notwithstanding, I forecast that waterfront property will remain a good inflation hedge.

24. Labor stands at the crossroads as the new year opens. Things never looked better for nailing down record wage and fringe gains; however, neither the public nor the Congress is in any mood to tolerate long, costly and inconvenient shutdowns.

25. I predict that there is more likelihood in 1967 of restrictive labor legislation than at any time since Taft-Hartley was put on the books. Union chiefs are aware of this, and they may act with more strike restraint than most people now expect.

Unemployment May Rise

26. This promises to be a year in which many managements will be fighting a "rear-guard" action to control climbing labor costs. The defense buildup will maintain hiring pressure in some industries; but even more activities will be winding their way. I forecast that the net result will be a rise in unemployment next year.

27. I do not look for price and wage controls in 1967, unless our defense expenditures rise far above what is now contemplated.

28. An encouraging aspect of the 1967 outlook is the affluence of consumers. I forecast a further upward trend in personal incomes, due to higher wage rates. However, if taxes are raised, take-home pay may not show a rise commensurate with the gain in gross pay.

29. Retail trade held up well in 1966, but there was a note of lethargy throughout the year. The pattern is not expected to show much change in 1967 with gains in dollar volume largely reflecting price inflation.

30. Though consumers will have more money to spend, tight credit, high borrowing costs and higher price levels could cause some tightening of purse strings.

Retail, Travel, Leisure

31. Spending for food, apparel and general merchandise should be greater in 1967. Also, consumers will devote a goodly portion of their spending budget to leisure activities, vacation and travel.

Cost of Living

32. Soaring living costs will hit the headlines more often in 1967. There will be directed most strongly at runaway service expenses—especially medical—and at advancing red meat prices.

33. Despite new highs in the cost of living, I predict there will be many signs of deflation in the midst of inflation. Cheats among these will be sliding profits, rising bankruptcies and foreclosures.

34. Industrial commodity prices should be firm to slightly higher. Selective price markups will be necessary to offset wage hikes.

35. Profits began to wobble in the final half of 1966. I am

LAW ENFORCEMENT GUESTS at a get-acquainted luncheon held by depot officials at the Army Depot are, left to right, Emmett Pizia, Madison police chief; Capt. Emil Toffant, District 11 Illinois state police; Col. Charles E. Hoskin, commanding officer of the depot and luncheon host; Frank DeWitt, Venice police chief; Capt. William J. Ash, depot provost marshal; George Teller, Granite City chief of detectives; and Raymond Willard, retiring Granite City police chief.

Police Attend Depot Luncheon

Local city and state police officials were guests at a "get-acquainted" luncheon hosted by Col. Charles E. Hoskin III, new commanding officer of the Army Depot, at the depot recently.

Guests at the luncheon given to "assure mutual cooperation between depot officials and local police" were Raymond Willard, Granite City police chief, George Teller, Granite City chief of detectives; Emmett Pizia, Madison police chief, Frank DeWitt, Venice police chief, Capt. William J. Ash, depot provost marshal and Capt. Emil J. Toffant, District 11 Illinois state highway police.

Less Vigorous Business

37. The combination of less vigorous business, pinched profit margins, and stringent credit conditions points to an increase in business failures, shaking out the financially weak and inefficient.

38. Collections may be more difficult in 1967 on business accounts, consumer installment and charge accounts, and mortgage debt. I forecast a further rise in nonfarm real estate foreclosures.

39. Barring crop failures, I forecast another good farm production year. Farm prices should rule firm to slightly higher in 1967, but higher costs may result in a slight drop in net realized farm income.

40. Nevertheless, farm equipment manufacturers should enjoy good business. Sales of fertilizers and insecticides should post gains.

New Stock Aristocracy

41. The stock market of 1967 promises to be one of vicious selectivity. I am expecting the old aristocracy of the blue chips based on past performance to be replaced by a new aristocracy of superable management based on hopes of good future performance.

42. I forecast, however, that 1967 will still hold many dangers for the speculator. I urge readers not to borrow money by buy stocks, and I urge investors to buy for growth and basic investment values.

43. The safest kind of long-term bonds are available now at prices affording very close to the high income returns of the century.

44. It is a good bet that there will not be so many top-grade bonds on the bargain counter at the end of 1967.

45. Should the 90th Congress boost income taxes, tax-exempt bonds will put on the best performance.

46. World opinion on the future base of gold has blown hot and cold many times in recent years. Though lately in the shade, I predict that gold will again be in the spotlight before 1967 is out.

47. I forecast that the dollar will not be devalued in 1967, but the pound will continue shaky.

Scrutinize Poverty War

48. Certainly, Congress will become more and more critical of

Petitions to be Heard For 3 Mobile Homes

The Madison county zoning board of appeals will hold one site hearings of petitions to amend the county zoning ordinance on Jan. 12 in the Quad City area.

A hearing will be held at 10:15 a.m. on the petition of Carl E. and Timothea E. Waller, owners, for a special use permit to set a mobile home on a R-3 one-family residence district in Namahoe township. The property is located in the southwest quadrant of the intersection of Park lane and Lake drive in the Long Lake Shore subdivision.

Scheduled for 10:40 a.m. is the petition of Marie C. Venditto, owner, for a special use permit to set a mobile home in a B-2 highway business district at 5200 Namole road.

Set for 11 a.m. is the petition of Wilbur W. Wolf, owner, for a special use permit to set a mobile home on a R-3 one-family residence district along Route 203 about a mile southwest of Interstate 270.

At 2:30 p.m. Jan. 11, the board will hear the petition of Everett G. and Josephine Price Steele, owners, requesting to rezone a tract of land from an agricultural district to an R-3 one-family residence district in Jarvis township about a half-mile south of Highway 40.

Holiday Season Engagement Announcements and Wedding

Miss Twietmeyer Is Engaged

Miss Berith Twietmeyer, a daughter of Rev. and Mrs. Arvin Twietmeyer, 2325 Grand avenue, will be married to Marine Pfc. John Stone, a son of Mr. and Mrs. Edward Stone, 3428 Lydia lane.

The engagement announcement was made this week by the bride's parents. The bride-to-be is a 1966 graduate of the Granite City high school and is now a freshman student at Southern campus. Mr. Stone was graduated from the local school in 1963 and studied at both the University of Illinois and SIU-SW before enlisting in the U. S. Marine Corps last May.

The wedding of the couple will depend on the assignment and further orders of Pfc. Stone upon his completion in May, training as an electronic technician at the Naval Air Technical Training Center in Memphis, Tenn.

Rev. Twietmeyer is pastor of Concordia Lutheran Church, 23rd street and Grand avenue. The groom-to-be's father is manager of the local A&P Market.

WILL CELEBRATE ANNIVERSARY

Mr. and Mrs. Mike Tessaro of Route Four, Edwardsville, former Granite Cityans, will hold open house for relatives and friends at their home New Years Day from 5 to 6 p.m. to celebrate their 25th wedding anniversary.

MRS. C. EARL CAWTHORNE (Elizabeth Ann McCauley), who was married Wednesday evening at First United Presbyterian Church. She is a daughter of Mr. and Mrs. Lawrence McCauley, 3237 Princeton drive.

Miss Elizabeth Ann McCauley Bride of C. Earl Cawthorne

Lighted candles in hurricane lamps entwined with smilax and white satin ribbon down the main aisle of First United Presbyterian Church, and urns holding white poinsettias on the altar provided the setting last night for the wedding of Miss Elizabeth Ann McCauley and C. Earl Cawthorne of Denver, Colo.

The bride's parents are Mr. and Mrs. Lawrence McCauley, 3237 Princeton drive. Mr. Cawthorne is a son of Mrs. A. S. Chambers of Chattanooga, Tenn. Mr. McCauley is principal of Granite City high school.

The 7:30 ceremony was performed by Rev. Dr. David B. Maxton and a reception followed at the Elk's Club.

Kenneth MacClatchey presided at the organ and accompanied the soloist, Warren Simpkins, as he sang the Lord's Prayer, "Wedding Prayer" and "Whither Thou Goest."

The bride, escorted by her father, wore a gown of ivory pique de soie designed on Empire lines with a bateau neckline and capulet sleeves of Venice lace. The A-line skirt, also trimmed at the hemline with the lace accented with a fabric bow at the center.

A detachable train was outlined with a border of lace. An open crown of peau de sole and lace held in place the bride's veil of silk illusion and she carried a cascade arrangement of white roses, stephanotis and variegated ivy.

Three attendants, Miss Mary Carol Graves of Harrisonville, Mo., maid of honor, and Mrs. Clayton Harrison and Mrs. David

Miss Linda Taylor To be June Bride

The engagement of Miss Linda K. Taylor, a daughter of Mrs. Clova Taylor, 1603 Fifth street, Madison, and the late Jack Taylor, and John Duffield was announced at a holiday open house at the Taylor home.

Mr. Duffield is a son of Mr. and Mrs. Paul B. Duffield of Beverly Hills, Calif. His fiancée attended the Madison schools and Southern Illinois University, Southwestern Illinois University where she was a member of Alpha Gamma Delta sorority. She has taught in the Harris school in Madison and is presently with the Ingelwood, Calif., United School District.

Mr. Duffield attended the Beverly Hills, Calif., schools and was graduated from the University of Nevada. He is now associated with the Exclusive Products Co. in Beverly Hills.

The wedding of the couple will take place at First United Presbyterian Church in Granite City on June 1.

SKUBISH FAMILY

HOLDS ANNUAL PARTY

The annual family party and Christmas dinner of the Skubish family was held Monday at the Rose Bowl.

A smorgasbord dinner was served and the tables were decorated in the season's colors. Gift packages were presented to each one present and the afternoon was spent at games. Among those present were Mr. and Mrs. Michael Skubish, Mrs. Anna Skubish, Mr. and Mrs. Thomas Chapman, Victor Duncan, Sharon Clark, Debra Sanders, Pat Skubish, Ronald Sheppard, Larry Todoroff, John Skubish, Max Radinovich, all of this area, Mr. and Mrs. William McDowell and a daughter of Park Forest, Ill., and Mr. and Mrs. John Doe and daughter of Bennettville, S. C.

For her daughter's wedding, Mrs. McCauley wore a pastel blue costume suit with matching accessories, while the bridegroom's mother chose a dress of champagne lace and gold accessories. Both wore corsages of gardenias and stephanotis.

J. Eugene Graham of Chattanooga was best man for Mr. Cawthorne, and William W. Williams, also of Chattanooga, and David Moss served as groomsmen. Ralph A. Lerch and R. Harold McCauley, were ushers.

After a wedding trip, the destination of which was not announced, the newlyweds will live in Denver.

The former Miss McCauley attended the local schools and graduated from the University of Missouri in Columbia where she was a member of Mortar Board, Alpha Chi Omega, and was listed in "Who's Who" in American Colleges. She has been teaching in the Wheatridge, Colo., high school since her graduation.

Mr. Cawthorne was graduated from the Chattanooga high school and the University of Chattanooga and is now employed by the Cavalier Corp. of Chattanooga.

The rehearsal dinner was given Tuesday evening at Augustine's in Belleville by the bridegroom's mother.

Visiting classmates Robert Eckert, a son of Mr. and Mrs. Elmer Eckert, 2525 Hodges avenue, left this morning for Park Ridge, Ill., to spend the remainder of the holidays with fellow students at the University of Illinois, Miss Lynn Diamond, Charles Edwards and Timothy Seleck. All will resume their studies Jan. 3.

FR. WILBUR LEAR

Fr. Lear New Rector At St. Bartholomew's

Fr. Wilbur Louis Lear, 41, is moving here from Chicago this week to become rector of St. Bartholomew's Episcopal Church, 22nd street and Grand avenue. Fr. Paul Dicks left here in September to accept a pastorate in Iowa.

A world war II Navy pharmacist mate with service on Okinawa, Fr. Lear later served as a lay reader and seminarian vicar at California churches, being ordained in 1953 at Sacramento.

He was a vicar in Cloverdale, Placerville, Calif., in 1955-1960, Calif., in 1960-65, rector in the Church of the Holy Cross, Tahoe Valley, Calif., 1957-1960, and assistant at the Bishop Anderson Foundation, Chicago, 1960 to the present.

A native of Reno, Nev., Fr. Lear is unmarried. He is a graduate of San Francisco State College and the Church Divinity School of the Pacific. At Chicago, his duties included service as a chaplain at the Cook County Hospital, Oak Forest Hospital and Illinois State Psychiatric Institute and as chaplain of student nurses at the West Side Medical Center.

Alderman Says City Hall in GC Is 'Pigeon Drop'

The city hall building was tagged "the pigeon drop" by Alderman Poulos, who called for the City Building committee to take corrective steps to get rid of the birds.

Mayor Partney advised him during Tuesday night's council session that steps are being taken and that debris is cleared away regularly.

In miscellaneous business during the session, the aldermen authorized the Civil Defense committee to work with the city's CD staff to comply with federal regulations for obtaining matching grants; and an effort is continuing to reopen the GM&O Railroad station at 26th street. The council was informed the building, which has no heat or electricity, is owned by New York Central.

Alderman Boyd called for a report on the Washington Air Pollution Conference from the local control board members who attended earlier this month. He was advised by Alderman Whitmer that a report is being prepared.

Copies of maps showing locations of high pressure gas lines in the city are being placed at the city garage and in city hall offices for firms who excavate and are causing concern by the Mississippi Fuel Transmission Co.

Permission was given the fire department to burn weeds on a tract owned by American Steel Foundries and leased to the city for a playground at the end of Chestnut street.

If conditions permit, Jenkinson Wright Corp. is to be given permission to install a catchbasin in its yard near West 23rd and Logan streets.

**Council Oks Pay
Boost Ordinance**

For a second time Granite City council members adopted a pay increase ordinance for 22 city hall employees, this time the increases are \$22.60-a-month for 12 clerks and secretaries and \$12.50 for 10 appointed officers.

The vote at Tuesday night's session was 10-6, and the ordinance now goes to the mayor. Two months ago, the mayor vetoed a similar ordinance giving increases of \$24 and \$11.

Mayor Partney offered no comment on his actions following Tuesday night's vote. The ordinance, on which action was deferred a week ago, was not debated.

Voting for the ordinance were Aldermen Norn, Basarich, Bartoski, Boyd, Dallas, Moerlein, Parmenter, Robertson, Poulos and Green. Opposed were Rutledge, Whitmer, Johnson, Sternberg, Thompson and Fry.

The increases would be retroactive to May 1.

Venice Vs. Hosts Tonight in Title Game of 16-Team O'Fallon Tourney

Winning its third straight game in the 16-team O'Fallon invitational game tournament last night, Venice beat Red Bud and Marissa before outting top-seeded Waterloo 58-39 last night.

O'Fallon has eliminated Johnson City, New Athens and Lebanon, Venice beat Red Bud and Marissa before outting top-seeded Waterloo 58-39 last night.

Tonight's 6 o'clock game will decide the consolation championship and tonight's 7:30 third-place game pits together Lebanon and Waterloo.

Russell Turner (9) was commended by Bill Ohlendorf, Venice coach, for ably guarding Waterloo's tallest, a six-foot eight-inch player, Ohlendorf was worried about Waterloo's height going into the game, but told the Press-Record that the Red Devils played their finest game of the season against Waterloo.

"However, we will have to play our best in the championship game against O'Fallon tonight," Ohlendorf said.

Ohlendorf also commended the Red Devil defense for allowing no field goals during the second period.

The Red Devils sharpened their attack after a first period of 16-16 and gained steadily on Waterloo, with a halftime lead of 25-19 and a third-period lead of 39-28.

Top Venice scorers were Richard Essington with 34 points and John Gardner with 11 points.

MARISSA GAME

After rambling over Red Bud 205,

74-46 in their O'Fallon game tournament opener, the Venice Devils found competition stiffer when they edged Marissa 73-71 Tuesday in their second game.

This gave Venice a 9-3 season record.

Down 10 points at the first quarter stop, the Venice Devils tied Marissa 37-37 at the half. Bill Ohlendorf, Venice coach, described it as a "tip and tuck game" throughout.

With each team gaining a two-point lead and then losing it, the game peaked with just 38 seconds left. Marissa's Calvert sank a field goal, putting his team two points ahead, but Richard Turner five and Harper, four Essington connected on a long

shot, tying the game at 71-71 with 12 seconds left.

A turnover by the Marissa offense enabled Essington to shoot again and, with two seconds remaining, Lloyd Harper rebounded the missed shot and scored to give Venice the win.

"It was so close they (Marissa) protested, but the judges decided the points were under the wire," Ohlendorf said.

Essington, one of the area's top scorers, collected 31 points.

Other Venice scorers in the Marissa game were John Gardner and Greg Puent, 12 points each, Denny Hill nine, Russell Turner five and Harper, four.

Surgery Follows Injury at Raceway

Harold "Buddy" Hotsen Jr., 16, who recently received a sports car club memorial award for journalists, underwent surgery yesterday to remove his gall bladder, his father, Harold Hotsen, 2538 Lynch avenue told the Press-Record.

He was stricken on Christmas Day and was rushed to St. Joseph Hospital in St. Charles, Mo., by ambulance. An attending physician told his father that the gall bladder became deficient from complications following an injury he received at a St. Charles raceway this past season.

Trojans Still Alive In Tourney, Still Unbeaten This Year

Recording their eighth straight win of the season by winning over Assumption 64-56 in the 16-point Mater Del (Breeze) High school basketball tournament last night, Madison's undefeated Trojans reached the semi-finals at 8 p.m. today against Triad. Madison holds non-tournament victories over all the surviving teams.

Belleville Althoff and the host team will collide in the other semi-final at 2:30 today. Semi-final survivors will decide the championship at 8:30 tonight after this afternoon's losers play for third place at 7:15 tonight. The consolation title tilt is at 4 p.m. today.

Triad, which lost to the Trojans 38-71 earlier this season, ousted Bethalto 73-58 last night, while Althoff downed Carmi 57-45 and Mater Del defeated Litchfield 81-72.

Shooting better than 42%, the Trojans rallied after a 10-5 first quarter deficit to end the period ahead 21-18 last night. Madison was ahead 39-28 at the half.

Assumption scored 22 for 57 from the field and the Trojans scored 27 of 65 attempts.

Team Effort

Coach Earl McClanahan com-

mended the Trojans for their team effort. Neal Podoba and Albert Boyd each scored 11 points. Gary Collins tallied 12 points. Gary Lusk 14, Ron Burt 15 and Steve Geroff one point.

Podoba, after making three fouls in the first three minutes of the game, did not get off the bench again until the final quarter.

Collins tipped in three baskets in the final three minutes of play to aid the Trojans.

OKAWVILLE GAME

After letting Okawville come within one point of tying the score in the first quarter (23-22) because of bad passes and traveling violations, the Madison Trojans sharpened their attack and ran over Okawville 90-57 in their opener at the Mater Del game tournament Tuesday.

The Trojans, aided by Ron 25, outscored Okawville 24-10 in the second period and 19-10 in the third period. In the final period, Madison cleared the benches but still managed a one-point advantage, 15-14.

Other Trojans scorers were Podoba, who scored 12 points, and Steve Shipcock and Tom Weston, two points each.

GCCHS Hoping to Repeat As Consolation Champs

Despite a 32-point scoring performance by Jim Hentzel, and traditionally have Granite City Warriors dropped fared well at Pontiac.

Their opening game at the 16-team Pontiac cage tournament Tuesday, the Warriors were 70-42 yesterday, Halftime deficit was 32-26. John Van Buskirk eight, Jim Stuart, two and Jeff Jones, two.

If the Warriors win the Rock Island-Alleman game, they will play in the consolation semi-final at 7 p.m. today. Friday for the consolation title.

GC, Decatur Tied in Mat Meet Ending Here Today

With the first three rounds of their two-day holiday invitational tournament completed yesterday, Granite City high school wrestlers were tied with Decatur 35-35 as they prepared for semi-finals starting at 11 a.m. today and final bouts beginning at 3 p.m. today.

Eleven schools are competing in the sixth annual GCMS meet. Following closely are Champaign with 31 points and East St. Louis with 28 points.

Only two Warriors have been eliminated so far, Jim Whistler (145 lbs.) lost out in third-round competition after winning his first match and losing his second. Tim Wallace (180) was eliminated in the first-round by James Stanley of East St. Louis.

Undefeated Warriors who will continue to compete, beginning with fourth-round competition today, are Bill Fuchs (135), who de-cisioned his first opponent and pinned his next two, Jan Gitcho (112) with two pins and a decision (Gitcho de-cisioned Jim Hunt of Decatur, a tournament favorite), Bill Gibson (127), with two decisions; Jerry Lapinski (138), with three decisions; Ray Jenkins (154); three decisions; and Ernie Schwendeman (185), three decisions.

Warriors suffering losses but still in the competition are Gus Schalkham (120), who has won one and lost one, he was beaten by Doug Mattox (Champaign); Bruce Iles (145) who has two victories and one defeat; Ricky Smith (133), two victories and one defeat; and Mike Middleton (heavyweight), two wins and one defeat.

Proposed Bill Could Eliminate 12 County Twps.

Twelve of Madison county's 24 townships would be eliminated by legislation, action if the Illinois General Assembly approves a bill endorsed by the Illinois Full Value Assessment Laws Commission at Springfield.

The proposed bill would make it mandatory upon county boards to eliminate all townships of less than 36 miles unless they had a valuation of \$10 million or more in full property assessments.

Maurice Scott, a commission member, pointed out that Illinois has 1440 townships and many of them are so poor they cannot finance essential services. Under present laws, county boards are allowed to eliminate townships through mergers, but are not required to do so, and therefore seldom do.

The proposed new law provides, however, that no new township created by the county board by realigning boundaries could be larger than 108 square miles. At the present time the largest township in Madison county by area is Fort Russell with 30.5 square miles.

The smallest is Alton township with 6.27 square miles.

Fort Russell township has a full assessed value of \$12,685,339, and Alton a valuation of \$123,125,902.

Granite City is the second smallest township in the county with 3.5 square miles, and area-wise, with 7.5 square miles, and has a valuation of \$135,832,999.

Townships that would be eliminated in Madison county under the measure are Saline, Leef, New Douglas, St. Jacob, Marine, Althabra, Olive, Jarvis, Pin Oak, Omphgeni, Morvo and Foster.

Smallest of these in area is New Douglas township with 2.26 square miles. Largest in area is Saline with 35.25 square miles, just 75 of a square mile less than the required minimum.

New Douglas also is the smallest in assessed valuation with \$2,153,246 in assessments. Largest in assessed value and also under the 36-square-mile requirement is Jarvis township which has 33.92 square miles of area and assessed valuation of \$9,602,220.

There are eight other townships of Madison county that have less than the required 36 square miles of area, but have far more than the required \$10 million in full assessed valuation.

Venice township has only 10.68 square miles of area, but has an assessed valuation of \$67,340,894.

Other townships in this category include Helvetia township with 25.93 square miles and a valuation of \$13,827,762; Collinsville, 35.08 square miles, and \$66,185,973 valuation; Edwardsville, 35.18 square miles and \$36,302,092 valuation; Nameki, 35.48 square miles and \$30,183,075 value; Chouteau township 30.99 square miles and \$22,985,163 value; Wood River, 32.89 square miles and \$210,727,668 valuation, the largest of any single township in the county, and Godfrey, 31.96 square miles and \$35,537,630 valuation.

\$1943 Red Cross Aid to Madison Fire Victims

The American National Red Cross has spent \$1943 to help re-habilitate five families affected by a disastrous fire in the 300 block of Madison avenue, Madison, Dec. 31 and expects the expenditures to reach \$3500.

Mrs. Ruby Overbeck, executive secretary of the Tri-City chapter, said today.

Troy Man Bound Over in Death of Chief L. Johnson

Joseph L. Brendel, 55, of Troy, was bound over to the Madison county grand jury on a murder charge Tuesday afternoon in connection with the slaying of Troy Police Chief Lester Johnson last Saturday night.

During the preliminary hearing at Edwardsville, bond was set at \$20,000 by Magistrate Kelleher and Brendel was returned to the county jail. An inquest is to be held soon.

Chief Johnson, 52, formerly of Granite City and Pontoon Beach and one of the village's first trustees, was involved in a fight with Brendel outside of Lee and Ben's tavern at Troy following a dispute in the tavern.

Deputies were told that the argument involved a traffic ticket which Chief Johnson had issued to Brendel, but Troy police had no record of the ticket.

Investigators said a ticket may have been issued while Johnson was police chief in Glen Carbon prior to October.

Frank Schmidt, chief deputy sheriff, quoted a few witnesses as saying that the victim was either pushed or fell against an automobile, hitting his head.

A few witnesses, who were watching from inside the tavern, told Schmidt that Chief Johnson had struck the first two blows and that Brendel retaliated with two.

Witnesses also said that Chief Johnson had left his pistol inside the tavern, commenting that "I don't need this thing to whip him."

Schmidt said he was seeking other witnesses who were in the tavern to verify some of the statements.

Dr. W. W. Billings, county coroner, said earlier that an autopsy showed that Chief Johnson died of cerebral bleeding caused by blows on the head, and that he

Harold Jansen, 59, Former Resident, Dies

Harold "Swede" Jansen, 59, of 3519 California avenue, Alton, a former local resident, died at 10:30 p.m. yesterday at St. Luke's Hospital, St. Louis. He was admitted to the hospital three days ago after suffering a heart attack.

Born in Mitchell, Mr. Jansen had resided in the Granite City area until moving to Alton in the early 1930's. He owned and operated the Harbor Radio Sales and Service store in Alton.

Prior to opening his own business, Mr. Jansen had been employed for 23 years with Sears and Roebuck Co. at Alton and St. Louis. He was a member of the Alton Elk's Lodge and the Alton First Presbyterian Church.

Surviving are his wife, Carrie Jansen; two sons, Robert Jansen of St. Louis and Donald Jansen of Wichita, Kans.; one brother, Edward Jansen of Alton; five sisters, Mrs. Gladys Healy, Granite City, assistant comptroller, and Mrs. Paulette Mueller, both of Granite City.

Mrs. Dorothy Ashley of Madison, Mrs. Luella Romann and Mrs. Georgia Schindewolf, both of Edwardsville, and six grandchildren.

Funeral arrangements are given in today's obituary column.

was hit on the head with something other than fists.

Chief Johnson was found on the ground near the tavern in an unconscious state. He was dead upon arrival at St. Joseph's Hospital, Highland. Funeral services were held yesterday afternoon at the Community Bethel Church, Stalling.

Science, Other Adult Courses To Open Jan. 9

A new science review course is among those offered in the winter quarter of the Granite City adult education program opening Monday, Jan. 9, it was reported today by M. A. Witte-vrongel, director.

Registration is set for 9 a.m. to 9 p.m. next Tuesday, Jan. 3, through Thursday, Jan. 5, in Room 147 at Granite City high school. It also will be possible to register during the same hours in the first week of the new term, Jan. 9-12.

Driver training registration will begin at 9 a.m. Tuesday and continue until the classes are filled.

Courses to be taught if there is sufficient demand will include a review of algebra and geometry, general education development for ninth grade and high school equivalency, art, homemaking, bookkeeping, comptometry, stenography, typing, industrial mechanics, welding, drawing, electricity, electronics, machine shop, sheetmetal layout and industrial mathematics.

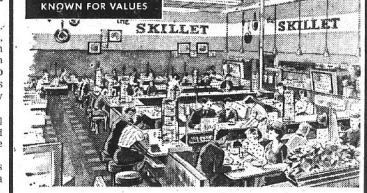

The science review will cover energy, gravity, heat, electricity and magnetism, simple machines, cell structure, chemical aspects and the biotic community (balance of nature, environment and ecology, evolution and taxonomy).

who will give it to the family who can describe it.

Turns Left, Crashes Granite City-PRESS-RECORD

Thurs., Dec. 29, 1966 Page 7

While making a left turn from 20th street onto Madison avenue, an auto driven by Donald A. Adams, Rural Route One, struck a taxicab driven by Floyd D. a third vehicle stopped for a Levart, 2024 Harris street, at traffic signal on Madison avenue, 9:45 a.m. Wednesday. The cab was, but it left the scene.

Watts in a Name? Take A Peek at SIU's Baird

Three Holidays are among last names of Southern Illinois University students here, a Peek at the new SIU directory Baird.

Holiday just past is Christmas; so, with the names of students at SIU, a merry Noel or Yuletide to all of Youans. May We Deck the Halls with Bells and Bowers of Holly.

Christmas Kain Bea a Span for Carrolls, for a Cantore on the Snow through the Park, Day or Knight, among the Pine, the Berries, and maybe a Little Firing now and then.

It will be a time for gifts and Givon, and Wright here on campus we have Garnetts and Diamonds, Gold, and no Dollars but Cents.

Lots of Riches are found among the students, and all that Beams is not Jewels because we are Fuller of culture and Politech Wright here on campus than in Lots of Places. For instance, among the great composers are Bach, Dvorak, Puccini, Wagner, Handel and

Granite City PRESS-RECORD
Page 8 Thurs., Dec. 29, 1966

zer, Acuff-Link, Locke and Keys, Monks and Abby, Butcher and Baker, and Cockrel and Henze with four Schicks.

Move to Come.

Stand more after that last one? How about Ames and Hitts, Ames and Andes, Campbell and Heinz, Prudent and Wise, Beggs and Steels, and Dean and Frank?

And Rose and Thorn, Hurst and Bush, Guests and Horner, Parson and Parrish, Sheets and Matras, Beer and Stein, Gin and Glass, Urban and Hickey, Bucks and Boaz? On the political scene, past and present, we find Kennedy and Nixon, Johnson and Humphrey, and Pearce, Dirksen and Douglas. Then there's Gable and Winn—er Loos.

Movie stars include Burton, Quinn, David Wayne, Beatty, McQueen, Novak, Newman without Woodward, Day, Bergmann, and Hudson, which also could be included with the Ottos.

And now with the Ottos: The directory shows up the departed Maxwell, Tuckers and Stanleys but is real short on the mods. There's a Ford and a Buick (which I must insist is shorter for Buick car).

There are so many parts of the body you'd think somebody Threw a blast. Take Hand, Foote, Head, Leg, Arms, Heal, Ice, Noses, Kneelands, Shin, Knack and Knable.

Eh Watt, Clyde? Mann, Ware You Benson?

HOLIDAY GIFTS collected by members of the Granite City chapter, Order of DeMolay, and delivered to youngsters at the Shriners Crippled Children's Hospital in St. Louis. Making the trip were, left to right, first row—David Thomas, John Gage, Danny Wilkins, Joey Vaughn and Mike Sparks, and second row—Dwayne Pritchett, James Fitzpatrick, David Wilkins, James Naeve and Robert Ebrecht of Ainal Temple. With the group was Ray Willmizg, chief rabban of Ainal Temple.

38 Students at Venice HS Named to Honor Roll

By SUSAN STERN
Thirty-eight students at Venice high school were listed on the scholastic honor roll for the second six weeks period, Lewis E. Sabia, principal, has announced. They are seniors Roger Schaffner, J.B. Barbara Kutz and Linda Levy, 1.2; Donna Doller, 1.4; Judy Austin, Garry Callender, Thomas Fields, James Ochoa and Sharon Parker, 1.8; Paula Fleig, Edna Harris, Carolyn Minton and Robert Shambro, 1.8; Barbara Alford, 1.8; and Judy Johnson and Brenda Long, 2.0. Freshmen Linda Svezia, 1.17; Patrick Foley and Betty Townsend, 1.8; Kathleen Scaturro, 1.67; Joan Koelker, 1.8; and Deborah Fechte, 2.0.

Perfect Attendance
Perfect attendance records were compiled by seniors Barbara Alford, Pauline Dillon, Charlene Dumas, Stephanie Gardner, Denny Hill, Barbara Kutz, Carolyn Minton, Callie Mosby, Robert McIntosh, Greg Puert, Roger Schaffner, Kathy Walker and David Wiesehan. Juniors Charles Barbee, Glenzola Blakely, Vera Brown, David Curtis, Kathy Daniels, Kim Freese, Johnnie Gardner, Frank Glover, Janice Hayden, Gerald Langston, Linda Marcus, James Miller, Mary Mulnik, Thomas McIntosh, Kathy Pace, Kenneth Patterson, Roger Peach, Larry Puert, Patricia Sifton, Arnold Spifford, Jean Svezia, Russell Turner, Gary Wallace, Gary Walen, Ruth Welch, Stanley Williams and Robert Young.

4 GC Students Make Eastern Honor Roll
Four Granite City students at Eastern Illinois University, Charleston, are among 42 to receive academic honors for the fall quarter, it was announced today. They are Sandra Gaye Johnson, Linda Kay McCollegan, Sally Ann Steb and Geraldine L. Straka. They received grade point averages between 3.40 and 3.74 for the honors.

Next Tuesday's Lunches At Quad-City Schools
School lunches for next Tuesday, the opening day of school after the Christmas-New Year holidays, follows for students of public and parochial schools. The regular publication of the lunches will be resumed next Tuesday.

Farmers Can Get Gas, Oil Credits

Farmers will lose any federal gas and lubricating oil tax credit they have coming if their income tax returns are not filed on time, Jay G. Philpott, district director for central and southern Illinois, said today.

Philpott said that farmers who use gas in their farm operations and lubricating oil other than in a highway motor vehicle are entitled to the credit. It amounts to four cents for every gallon of gas and six cents for every gallon of lubricating oil so used.

Power boat owners and other users of gas and oil for non-highway purposes are also entitled to a credit. Their credit is six cents a gallon on gas and six cents on lubricating oil.

Form 4136, Computation of Credit for Federal Tax on Gasoline and Lubricating Oil, should be used to compute the credit and should be attached to their income tax returns.

Before this year, non-highway users of gas had to file a separate claim for a refund of the federal gas tax paid. Now they take a credit on their tax returns against the amount of income tax otherwise owing.

The law also provides that the user may file a claim for refund for any of the first three quarters of his tax year if his claim amounts to \$1000 or more for such quarter. For purposes of the \$1000 test, the claims for gas and lubricating oil must be computed separately. This refund procedure is not available for the fourth quarter of the year.

Commanders at Depot To Hold Reception

Invitations have gone out to about 350 persons in the Quad-Cities and surrounding communities to attend a New Year's Day reception at the Granite City Army Depot.

The annual reception is given each New Year's Day by the depot commander, and on Sunday there will be two hosts—Col. Charles E. Hoskins III, depot commander, and Col. Kenneth G. Dayton, command officer of the 501st Field Depot.

The reception will be held in the officers' club at the depot and the hours will be 4 to 6 p.m.

Tire, Wheel Stolen

Marvin Ollis, 2030 Sherman avenue, reported at 3:15 p.m. Tuesday that a tire and wheel were stolen from his 1967 pickup truck while it was parked during the night at his home.

Christmas Lights Stolen

Numerous Christmas lights were taken from an outdoor display at the home of Vida Thies, 2823 Grand avenue, during the past several days, it was reported Tuesday afternoon.

Maeras Relents, Alley Light to Be Shifted

An alley light between the 1800 block of Fifth and Sixth streets will be moved 50 to 60 feet to the east as the result of a complaint by an irate resident, Mayor Stephen Maeras informed the city council Tuesday night.

The resident had complained that the light shines in his bedroom window, making sleep difficult.

The Illinois Power Co. is to erect a new utility pole. "Now maybe everybody will be happy," the mayor said. He had noted at the Dec. 13 meeting that despite the single complaint, 15 other residents of the area were pleased with the light.

GC Man Fined, Placed On Year's Probation

James Vraney, 22, of Kaseberg Park, pleaded guilty to a theft charge and was fined \$100 and placed on probation one year in Belleville magistrate's court.

A companion, Gary K. Voland, 18, of Belleville, was fined \$50 and given six months probation. They were charged with taking coins from a machine at a Belleville laundry Monday night. The claimed \$30 was taken but the coin changer was broken off the two said they got only \$1.

Wrong Driver Named

An auto which struck a culvert Friday night at the Edwardsville road-rail crossing was driven by Donald Bradley, 2140 Lee avenue, and not by his wife as indicated in the accident report. Mrs. Bradley said a blow-out caused the mishap.

SOCIETY

MISS PAULA RAE LOFTUS, fiancée of David M. Borg of Belleville, a son of Mr. and Mrs. Kermit Borg of Austin, Tex. The engagement of the pair is announced by the bride-elect's parents, Mr. and Mrs. Thomas J. Loftus of Madison.

Miss Paula Loftus Is Engaged

Mr. and Mrs. Thomas J. Loftus sr., 2002 Hildebrand avenue, Madison, have just announced the betrothal of their daughter, Miss Paula Rae Loftus, to David M. Borg, whose parents are Mr. and Mrs. Kermit Borg of Austin, Tex.

Miss Loftus was graduated from St. Teresa Academy in East St. Louis and is employed by the Dow Chemical Co. in Madison. Her fiancé, a graduate of Stephen F. Austin high school in Austin, Tex., is an employee of the McDonnell Aircraft Co., St. Louis.

They plan to be married in July.

VJW Jr. Girls Are Graduated

The Junior Girls of the Veterans of Foreign Wars held a meeting Tuesday evening and conducted graduation ceremonies for those completing the First Aid course conducted by Cleo Schnefke, R.N.

They were Bobbie Rojas, Eileen and Diane Bodi, Cheryl Schnefke, Marcena Robertson, Cathy Leisner, Becky Robertson, Patti Schnefke, Nancy Schnefke, Debbie Schnefke Betty Piechocinski, Rosemary Krawiecki, Nancy Johnson, Vicki McMurry, Donna Sanders, Karen Yikopis, Debra Kierski and Janice Warhol.

Cheryl Schnefke presided over the meeting, and changes in the ritual and by-laws were read by the secretary, Eileen Bodi.

A new member, Janice Warhol, was welcomed and names of children in the VFW National Home were distributed among the girls to be remembered with cards and gifts on holidays. The unit also voted to sponsor a set of twins, Marcia and Michael Burnidge.

Diplomas and miniature white nurses caps were given to the 18 girls completing the first aid course.

GOLDEN WEDDING. Mr. and Mrs. Clyde McBride of Tamm, Ill., former residents of Granite City, who will observe their 50th wedding anniversary at an open house for relatives and friends from 2 to 5 o'clock Saturday afternoon at the Pontoon Beach Baptist Church.

Clyde McBrides to Observe 50th Anniversary Saturday

Mr. and Mrs. Clyde McBride, residents of Granite City until moving to Tamm, Ill., several years ago, will return here to celebrate their golden wedding anniversary Saturday afternoon from two until five o'clock in the afternoon at the Pontoon Baptist Church.

Before retiring Mr. McBride was employed by the old Commonwealth Steel Co. The couple has two sons, Harold McBride, residing in Granite City, and Robert, a resident of Madison, four daughters, Mrs. Roberta Cox and Mrs. Patricia Honey of Edwardsville, Mrs. Clyde Lamb of Rochelle, Ill., and Mrs. Christina Newell of Tamm. Another daughter is deceased.

There also are 22 grandchildren and one great-grandchild. All are planning to be here to take part in the celebration.

March 4 Wedding Date is Set

Former Granite Cityans, Mr. and Mrs. Harold M. Bloomquist, now residing at 149 Troy road, Collinsville, are announcing the engagement and coming marriage of their daughter, Miss Sandra Jean Bloomquist, to John N. Fenner, a son of Mr. and Mrs. John A. Fenner, 3911 Eller street, St. Louis.

The wedding is scheduled for March 4. The bride-to-be is employed as an accountant-clerk by the Hunter Packing Co., where her fiancé is assistant product manager.

The parents of the bride-to-be were formerly in business in Granite City.

LeGrand-Gallauer Engagement

The engagement of Miss Janet Gallauer, a daughter of Mr. and Mrs. Steve Gallauer, 2206 East 20th street, and Robert LeGrand, whose parents are Mr. and Mrs. Paul LeGrand, 2006 Cottage avenue, has just been announced.

The bride-to-be was graduated in 1963 from the Granite City high school. Her fiancé is a graduate of Assumption high school in East St. Louis. Both attended Southern Illinois University and both are employed in St. Louis. The wedding date was not announced.

HERE FROM GERMANY

Sgt. Robert Hoffman, a son of Mrs. Ellen G. Hoffman, 2151 East 24th street, is at home from Babhausen, Germany to visit the holidays with his mother.

Dugan-Martin Wedding in Peoria

Announcements have been received of the recent marriage at the First English Lutheran Church in Peoria, Ill., of Miss Mary Jo Martin, a daughter of Mr. and Mrs. Hugh A. Martin of Melbourne, Australia, formerly of Peoria, and James Warren Dugan, a son of Mr. and Mrs. Robert Dugan, 3209 Erin drive, Granite City.

The bride and groom are graduates of Bradley University. His fraternity is Lambda Chi Alpha and he is employed by an underwriters adjusting company in Peoria. The former Miss Martin is in the advertising department of a Peoria department store. They are residing in that city.

MISS JANET GALLAUER, whose parents, Mr. and Mrs. Steve Gallauer, 2206 East 20th street, are announcing her engagement to Robert LeGrand, a son of Mr. and Mrs. Paul LeGrand, 2006 Cottage avenue.

The Diplomatic Pouch

German Democracy Not in Danger

The following letters have been answered by the Department of State:

I was greatly interested lately by a report on a new Nazi movement in Germany.

Will you please send me some information on Fascist movements in Germany.

J. C. Dear Mr. C.:

Recent press reports about the so-called National Democratic Party of Germany, the latest manifestation of right-wing opinion, have characterized it as a neo-Nazi movement.

Press reports mention electoral gains in Hamburg, two districts of Bavaria and Lower Saxony (correctly), and raise the spectre of resurgent National Socialism.

The German authorities are aware of the danger of extremist organizations and are keeping fully informed concerning this party and its leadership.

American posts in Germany are keeping the Department informed.

The National Democratic Party has less than two percent of the vote cast in the recent German national elections.

This represents an overwhelming rejection of the Nazi past by German voters.

Furthermore, there is evidence of the Federal Republic's determination to eradicate all traces of Nazism within its borders in its continuing effort to find and prosecute suspected Nazi war criminals.

Thus far, over 11,000 persons have been convicted in the Federal Republic of war crimes charges, and trials are expected to continue for at least several more years as additional persons are documented and prepared for trial.

We assure you there is no lack of concern in the Department of State.

R. S. C.

Do you have an inquiry?

The "Diplomatic Pouch," P.M.S. Room 4835, U. S. Department of State, Washington, D. C. 20520.

Science and the Quad-Cities

Guesswork Being Removed from Art Of Cooking Meat Rare or Well Done

(American Institute of Biological Sciences)

Cornell University scientists expect to take the guesswork out of preparation of a "rare" or "well done" serving of meat.

When medium-rare is desired, the diner can be assured that medium-rare beef will be served, if research at the New York State College of Agriculture is successful.

Animal and food scientists are studying the way heat is absorbed and conducted in fat, bone and muscle in meat. Each element has a different rate of conducting and absorbing heat and the researchers will determine and record the rates.

They will then process meats, starting with small experimental prepared samples and work up to large, wholesale cuts to establish more reliable procedures for cooking and processing.

They plan to use cuts of beef, pork and veal, as well as processed meat items.

The information is expected to be particularly helpful to commercial meat processors who prepare boiled hams, canned meats, meat loaves, sausages and bologna.

Also, hotel and restaurant owners have indicated such data is needed to aid in designing cooking equipment, particularly ovens.

Long, slow cooking at low temperatures will be contrasted with short periods at high temperatures and the meats will be rated for tenderness, color and appearance.

Also to be studied are the effects these various cooking methods have on the color of the meat, and methods of maintaining a prescribed color or degree of being done before serving.

It is hoped this will eliminate some of the confusion over the color of rare, medium or well-done steaks. It may also provide more attractive sales at serving, and more desirable tenderness

of concern in the Department of State.

We and the Federal German authorities are very much concerned and are watching the activities of this party closely.

There is no basis, however, for an assumption that this party presents a significant danger to democracy in Germany at this time.

I understand there has been a movement among the Chinese people to adapt the Roman alphabet to their language.

How could I get some information—language manuals, preferably—that would enable me to learn Chinese with this new alphabet?

As an immediate measure, the structure based on the Chinese ideographs has been simplified, eliminating as many strokes as possible from complex ideographs.

The new system of Romanization has interested many American schools of the Chinese language.

You may wish to consult the textbook "Beginning Chinese" by John DeFrancis, published by Yale University Press, which employs the new Romanization developed by the Chinese Communist government.

Do you have an inquiry?

Science and the Quad-Cities

Guesswork Being Removed from Art Of Cooking Meat Rare or Well Done

(American Institute of Biological Sciences)

Cornell University scientists expect to take the guesswork out of preparation of a "rare" or "well done" serving of meat.

When medium-rare is desired, the diner can be assured that medium-rare beef will be served, if research at the New York State College of Agriculture is successful.

Animal and food scientists are studying the way heat is absorbed and conducted in fat, bone and muscle in meat. Each element has a different rate of conducting and absorbing heat and the researchers will determine and record the rates.

They will then process meats, starting with small experimental prepared samples and work up to large, wholesale cuts to establish more reliable procedures for cooking and processing.

They plan to use cuts of beef, pork and veal, as well as processed meat items.

The information is expected to be particularly helpful to commercial meat processors who prepare boiled hams, canned meats, meat loaves, sausages and bologna.

Also, hotel and restaurant owners have indicated such data is needed to aid in designing cooking equipment, particularly ovens.

Long, slow cooking at low temperatures will be contrasted with short periods at high temperatures and the meats will be rated for tenderness, color and appearance.

Also to be studied are the effects these various cooking methods have on the color of the meat, and methods of maintaining a prescribed color or degree of being done before serving.

Tax Havens Can Be Ended by Assessors Or Setting of Township Multipliers

County Board Chairman Landolt and other Madison county officials deserve great credit for their announced plan to adopt township multipliers wherever the assessing level is too low.

This is the only fair thing that can be done, since such taxing bodies as the county government with inadequate valuations have lowered the county's average to the danger point.

If the county multiplier does rise, every taxpayer will be penalized. This need not happen because assessors in such townships as Nameoki and Chouteau still have the opportunity to adjust their assessments and, if they do not, the County Board of Review can multiply their figures.

A caution that will need to be kept in mind is that the whole local valuation system is easily recognized due to their proximity to Granite City and its approximately 50% assessment level, other equally low assessments probably exist, including those of the surrounding areas.

It is the county's duty to see that through inattention create new "tax havens" elsewhere.

Minor Adjustments in Latest Ward Plan May Solve City Redistricting Problem

Principal advantages of the redistricting plan being considered by the Granite City council are that it ends the extreme disparity in ward population, it is the recommendation of the aldermanic reapportionment committee, it has apparent majority support, and it is a simple plan.

As brought out on the council floor, the proposal is not perfect. Two of the wards, those at opposite ends of the city, would have a south-west-northeast dimensions. Some present aldermen would have much new territory in which to make themselves known to voters. And possible legal complications stemming from retention of an eighth ward remain unsolved.

It is perhaps significant that the vote to have an ordinance prepared not only carried 10-6 but was supported by five of the eight council members whose terms expire in April 1967. This is a substantial degree of support.

A majority of the dissenting votes was cast

Modernization Essential to Future of State Governments But Sharing Of U. S. Taxes May Be Necessary If They Are to Give Adequate Service

(Seventh of a series)
(Press-Record editorial analysis)
Money does not solve every problem, but control of purse strings is a necessary condition of government effectiveness.

This aspect—locating and maintaining adequate governmental financing—looms in either the foreground or background of modern government. Individuals and voluntary associations lose their capacity for problem-solving," Romney said.

In the words of John Kenneth Galbraith, "Prosperity gives the federal government the money and the state and local governments the means to spend it. This is an oversimplification, but its role as collector of a high-percentage income tax has placed the federal government in a strong position and enabled it to centralize more and more power in Washington bureaus."

In recent months there has been a marked increase in the number of those advocating a basic change in this situation. Income tax has been the lifeblood of the federal government, but it is rather than continuing to build up federal tax aid programs providing only supplementary aid to the states with a considerable amount of uncertainty and impermanence—many officials are turning their eyes to the states for a portion of federal revenue directly to state and local governments.

Michigan Gov. George Romney, a possible presidential contender, this month asserted that "Great Society programs" do not provide basic solutions but instead "just paper over the big cracks in our social economic structure."

He urged a four-point program—voluntary associations to provide cooperative action centers; private enterprise to provide independent competitive action centers; state and local government to create local-oriented action centers; and federal government to provide a vision of an action center to cope with tasks requiring unified national effort.

Addressing the National Association of Manufacturers at a meeting in New York, Gov. Romney said that "the federal government is doing things wrong with present efforts."

The thinking is that tax

by aldermen from the southern end of the city, which was probably inevitable. It is from the older part of Granite City that representation must be reduced if it is to be equitable throughout the city—how a much larger municipality than when the existing boundaries were drawn.

The proposed range in estimated population is 417,589 to 689,000, with figures around 472,515, 5194, 5883, 6002 and 6015. If this spread can be brought within the range of difference permitted under reapportionment court rulings, possibly through minor adjustments of several of the proposed lines, there may be a real opportunity to carry out meaningful redistricting.

Much depends on the ten aldermen who voted to have a new redistricting law drafted—Aldermen Boyd, Poulos, Rutledge, Nopp, Basvick, Fry, Parmley, Sternberg, Johnson and Thompson. If they hold to the stand taken Tuesday night, Granite City may be able to look forward to a second and to the serious representation inequities endured here so long.

New Illinois Presidential Prospect On The Horizon

Illinois was honored twice in the 1950s by nomination of one of its residents, the late Gov. Stevenson, as a presidential contender. He was the only Illinoisan to be nominated for the office in the nation. There is rapidly growing speculation that another Illinoisan, this time a Republican, may receive the presidential nomination in 1968 or 1972.

The reasoning is that the conservative wing of the Grand Old Party will be unable to nominate its choice, former Vice-President Nixon or Governor-elect Reagan, because of memories of the crushing defeat of 1964. The liberal wing supposedly will be unsuccessful in nominating its favorite, Gov. Romney, because of his alleged "disloyalty"; he failed to support Sen. Goldwater in the campaign against President John F. Kennedy.

Senator-elect Percy of Illinois succeeded in mustering virtually full Republican support in his successful race this fall, and has no stigma associated with 1964's place where one's vote is a crushing defeat. He is the highest elective official in the state; he supported the national ticket.

A potential drawback is the Illinoisan's relative inexperience as an elected official, but he has been closely associated with government and party matters for many years.

It is interesting to note that all of the presidential candidates in this decade and three of the four vice-presidential nominees have come from the Senate—a place where one's vote is a crushing defeat but where there are much fewer political hazards than those encountered by governors, once the major presidential contenders.

One of the speculations at this stage goes to the heart of future election issues, which will depend on the identity of the competing candidates and the details of their proposals. But it seems certain that the first round of the election will be given Illinois, the "land of Lincoln," another presidential possibility.

Christmas Generosity Again Matches the Need

Once again Quad-Cityans have demonstrated the spirit of generosity in their support of the Salvation Army "Tree of Lights" campaign.

The \$6147 raised in December was used to provide needed food, clothing and toys for more than 35 families. Through such sharing, local residents are helping to brighten the lives of needy persons. Christmas holiday season for 1200 less fortunate persons.

State Financial Gap

There is a question that the federal government has not yet answered. The federal government has a large financial gap. The federal government has a large financial gap. The federal government has a large financial gap.

The federal government has a large financial gap. The federal government has a large financial gap. The federal government has a large financial gap.

The Law Serves You

Child Custody Up to Divorce Court

(A public service of the Tri-City and Illinois Bar Associations)

The custody of a child in a divorce suit is decided by the court and not by agreement between the parties to the divorce or the preference of the child.

Under Illinois law, at the time a divorce or separate maintenance suit is filed, the minor child of the parties becomes a ward of the court.

Contrary to popular belief, the child is not awarded to the victorious or innocent parent or by agreement between the parents.

The child's wish may be taken into consideration by the judge, but this is only one of many factors he must weigh.

Broad Discretion

According to the Illinois State Bar Association, the court's discretion in awarding custody is very broad.

Judges have been known to award custody in a divorce suit to a parent who is not the biological parent of the child.

In the past, very young children were ordinarily awarded to the mother if she was found to be a fit person.

Fathers, however, are receiving increasing consideration by the courts.

The Granite High school basketball team defeated Edwardsville in the most thrilling basketball game of the season and probably one of the best and most exciting games ever played on the local floor.

A pep meeting was held in the Granite High school auditorium to prepare the team for the game. Previous to the Edwardsville contest, the crowds have not been very large and were not very lusty in their support of the high school lads.

However, the Edwardsville game crowd was not so very large but it certainly did stand back of the crowd to the last ditch. The loyal rooting of the audience was towards preserving Granite High school's record—that of never having been defeated by Edwardsville.

Hundreds of young people enjoyed the lads and sloughs near the city, the ice being in fine shape for skating.

25 YEARS AGO

Twenty-four men from Madison and Venice have qualified for general military service and will be inducted into the army from the Collinsville district.

The men who qualified are: Louis Clifford, James Mangiarino, Walter G. Epperson, Mike Grub, Mike P. Fabio, Willis G. Blakes, Robert R. Schmitt, Ben C. Bradford, Lebron S. Carnes, Phillip Jackson, Bennie Clay, Monroe Tabron, Ira R. Russell, and Fred Taylor.

Francis Judd has been added to the staff of the Granite City Trust and Savings Bank. It was learned from H. D. Karandjeff, president.

Judd, a graduate of Community high school, has been operating a route for the St. Louis newspapers in this city.

proving that not enough voters understand or favor state government modernization to give states much change of survival. There is considerable sentiment in the other direction. "We ain't down yet," state government backers say.

They cite California, where all major referendum proposals won approval last month.

Reforms Approved by Voters

Reform and modernization of state judicial systems was approved in Colorado, Florida, Idaho, Nebraska, New Mexico and Wyoming.

Right of counsel for indigents in all criminal cases was authorized in New Hampshire. South Carolina approved jury service by women. Texas enlarged the Court of Criminal Appeals, and in Washington the State Judicial Council finished the draft of a constitutional amendment to create a new system of appellate courts.

In Hawaii, the Judicial Council has started a comprehensive study of criminal laws. Action also was taken to ease state stringent restrictions on local-level agencies' taxing, debt, and boundary and procedural authority.

Those with this type of outlook interpret the last election as New Hampshire, North Dakota

A judge may hold that if both parents are employed, the father is equally capable of hiring a baby sitter to care for the children in his absence.

In deciding the best interests of the child, the judge also considers the moral fitness of the parents and the condition of their health and wealth.

Wealth is by no means a decisive factor, but it may weigh heavily in determining the environment and educational benefits the child will enjoy.

Remain Wards Until Adults

The children of divorced parents remain wards of the court at least until they attain their majority at 18 years of age for girls and 21 for boys.

During that time, in the interest of the child and as warranted by the circumstances, the court may order a change in custody, financial assistance and in medical attention.

Upon petition entered before the court by the majority, the court may—and frequently does—order a parent to pay for the child's college education for the child.

Finally, the judge is not required to award custody to one parent or the other. If neither parent is a fit person, he may award the child to another person, or to an institution, including an adoption home.

Rainfall and the thaw has put considerable water on the ice, but another cold night will bring it back into good condition again as the ice is nearly a foot thick on Horseshoe Lake at present.

Christmas, 1916, has now taken its place in past history along the American Theatre, left for Christmas past, but here in Granite City as well as elsewhere, it will linger in memory as one of the brightest Christmas days this city has witnessed.

With every industry of our city working to capacity, women enjoying good wages and able to give their families the things that make a home bright and warm, there were a few homes in this city but what some spark of the Christmas Spirit did not penetrate this year.

The annual ball and reception of Granite City Camp No. 175, held in the city, will be given by the assembly hall, 13th and State streets.

All are subject to condensation and groupings. Letters with obvious misstatements or lacking in tone or fair play will be rejected or edited.

COMMITTEEMAN CRITICAL OF PARTY'S COMMENT

To the Editor:

I have never contributed to the Forum, but after Mayor Parney apologetic to the people of the Fourth Ward for appointing Claude Green as alderman in that ward, I feel compelled to answer that statement.

In order to do justice and be truthful to all parties concerned, I happen to be a citizen and taxpayer of that ward for over nine years. I have seen the Committee of our part of ward times

while he was our alderman.

Furthermore, I do not know of anything outstanding that he did for our part of the Fourth Ward while he was our alderman. If I was in his position, I would have been able to do a great deal of anyone after doing so little while holding that office for so many years.

On the other side of the picture, we have seen Mr. Green more through personal contact, jobs getting done and most of all for speaking up for the council meetings has given us hope. In reference to the last statement we would like for the Press-Record to recognize and print his statements in the paper.

In the future, I hope Mayor Parney will devote more time to trying to do a better job, less time criticizing Mr. Green's abilities.

Council Balks at Paying Added \$6000 MFT

Granite City council members are challenging the need for a resolution to seek an additional \$6000 of the city's motor fuel tax funds for the recently-completed improvement to Martin street. The improvement already has cost the city \$45,017.

Action on the resolution was deferred by requests of First Ward Aldermen Muehlen and Dallas in whose ward the street is located.

Aldermen commented that the joint project with the city of Madison appeared to be costing Granite City more than its share. The joint project was for the improvement of Martin street and McCambridge avenue. Martin street has been renamed McCambridge avenue.

S. Nameoki Road Report
Alderman Fry called for a report on the status of the south Nameoki road improvement and urged that one be obtained from the state highway department as quickly as possible.

Mayor Partney said a request for information has been sent to the highway district office at French Village, but the reply is still pending since the district

engineer, Robert Kronst, is on vacation. "I've talked to Kronst, and he told me I could expect a nasty letter as a result over the disagreements over the north Nameoki road improvement," the mayor commented.

Parking Zones Sought
Requests for parking restrictions were made by Third Ward Alderman Poulos, and ordinances are to be prepared. When Poulos was asked by Mayor Partney if he had conferred with the Citizen Traffic Commission, the alderman replied that he was submitting the data directly to the ordinance committee.

A two-hour parking zone from 8 a.m. to 5 p.m., except Saturdays, Sunday and holidays, is sought for the east side of the 2200 block of Adams street, extending from 22nd street to 2228 Adams, and a no-parking zone was requested for the north side of 22nd street from Benton street to the alley.

The city was advised by the Illinois Commerce Commission that permission has been given for the Terminal Railroad Association and Granite City Steel Co. to in-

stall another rail line at the Edwardsville road crossing near East 19th street. The added line is needed because of expansion at the steel mill. The ICC noted that 12,000 autos and 2000 trucks cross the tracks daily.

Bus Stop Changes
Changes in Bi-State Transit Co. bus stops—mostly eliminations—were approved in an ordinance Tuesday night, and other changes are to be made following a study of all locations by the police department traffic division.

The changes authorized in the ordinance were—
Elimination of stops at 2617-19 Cayuga street, 1308 Eighteenth street, northeast corner of 27th and Madison, northeast corner of Wayne and Faith avenues, two stops on 27th street at State street.

Replacement of the stop on the west end of Delmar avenue south of 25th street with a stop on the north side of 25th; replacement of stops on the east and west sides of Madison avenue south of 29th street with ones north of 29th street, relocation of a stop at 2000 West 20th street at 28th West 20th street.

Abstract Design?

Alderman Basarich commented that the map "looks like an abstract drawing." Alderman Bartoski said he had heard the county board was planning changes in the township precincts here and that the city should wait.

The wait and see suggestion was debunked by Alderman Fry, who commented that though the committee had done a good job, especially since seven of the 16 aldermen now live in an eight-block area. "If I wait, I understand a citizen group is ready for court action," he added.

Numerical designations have not yet been assigned to the proposed new wards. Population estimates were provided by the City of Granite City, which is updating the city's master growth plan.

Populations in the proposed eight wards would range from 1,450 and 472 in the older sections of the city to 6,015 and 887 in the newer areas. Other ward population figures would be 5185, 5194 and 5933.

First Ward

In the area now generally known as Ward One, the population would be 5185, and it would include Township Precincts Three, Four, 12 and 27.

Involved would be the Tri-City Park area and the area north of 24th street extending to 24th street and east of Iowa street as well as a portion of the East Granite area east of Hall avenue and south of Edwards street along with the Precinct 27, which is bounded by Victory drive, the east city limits, Edwardsville road and Nameoki road.

Second Ward

The Second Ward area would include Township Precincts Five, 11 and 13 with a total population of 5885.

It generally covers the area north of 26th street between State street and Iowa street extending to 24th street and an offshoot into the East Granite area extending to Nameoki road to include Kirkpatrick Homes. North and east of 24th street it would include 2400 and 2500 blocks of Iowa street and Washington avenue, as well as the East Granite area between Propes street, Nameoki road and Edwards street.

Third Ward

The general Third Ward area would include Township Precincts One, Two, Six, Seven and 15 with a population of 4715. It would cover the area

CREDIT UNION CHAPTER TO CHOOSE OFFICERS
A regular monthly meeting of the Southern Illinois Chapter of Credit Unions will be held in Fischer's restaurant, Belleville, at 7:30 p.m. Tuesday.

Hosts will be Hunter J. Catholic, Stock Yard Employees, Belleville Community and Southern Illinois Directors Credit Unions. An election of new chapter officers will be held and responsibilities of directors and officers will be discussed.

tending to the Madison city line, the downtown district and the residential area north of 20th street bounded by State street, 24th street and the railroad tracks.

The Fourth Ward's area, with a population of 6002 would include the portion of the West Granite Area east of Bryan avenue, all of North Granite and the area east of the railroad tracks between 24th and 26th streets extending east to Delmar avenue and 24th street, and the alley between Delmar and Edison avenue in the 2500 block.

Fourth Ward

The Fourth Ward also would extend into the Nameoki area, taking in the Rede and Briarcliff areas, and east of Nameoki road to include the area north of Pontoon road and east of Wabash avenue. South of Nameoki road, the area included would be west of Oaklawn Terrace and north of Garfield avenue.

Fifth Ward

The Fifth Ward's area with a population of 4050 remains practically the same and contains Township Precincts Nine, 10, 25 and 26. The area would be Lincoln Place and the West Granite area west of Bryan avenue.

Sixth Ward

Under the new plan the general Sixth Ward area, reduced greatly, would have a population of 8867, still the largest of the wards. It would include Township Precincts 19, 20, 28 and 32.

The boundaries would be Johnson road to the north, and to the west Nameoki road from Johnson road to St. Clair avenue, then extending east to Victory drive, it would include all of the Glenview area.

Seventh Ward

The general area of the Seventh Ward, with a population of 6015, it would include Township Precincts 14, 17, 18 and 26. The boundaries would be 26th street to the south, the railroad tracks to the west, and imaginary lines extending from the tracks through the Nameoki Village shopping center to Nameoki road to the north and then south along Nameoki road to St. Clair avenue to include a portion of the Community Heights area west of Wayne avenue and north of Victory drive. Also included is the area bounded by Propes street to the south and Nameoki road to the east.

Eighth Ward

Estimated population of the Eighth Ward would be 5194 and it would include Township Precincts 12, 23, 24 and 31. The general boundaries would be Johnson road to the south, and to the north it would be along Nameoki road to Garfield avenue and then include Oaklawn Terrace and the areas of Maryland Place, Maryland Heights, Holiday Gardens and Cloverview.

October 'Public Aid Costs Slightly Under September

Illinois Public Aid payments were made to 6708 Madison county recipients who received a total of \$34,529 during October, according to a report by Harold O. Swank, director of the Illinois Department of Public Aid. The total payments represented a decline of only \$249 below September allotments of \$34,778 for 6722 recipients.

Payments in the five categories of public aid varied only slightly during October in comparison with those made in September. October payments for old age assistance amounted to \$90,362 for 1082 clients, as compared to \$92,440 paid to 1060 clients in September.

Aid to Dependent Children payments in October totaled \$185,725 for 4313 recipients. In September, ADC payments amounted to \$183,694 and were made to 4402 clients.

Blind disability payments for October were \$2737 to 37 clients, compared to \$2890 to the same number of clients in September. Disability assistance amounted to \$56,008 for 502 recipients in October, compared to \$59,857 for 501 clients in September.

Allotments for general assistance in October totaled \$19,677 for 684 recipients, compared to \$18,418 for 642 clients in September.

At the state level, the Illinois caseload totaled 408,435 in October, an increase of 2317 over September, but 16,040 persons higher than the October 1965, figure.

Public aid expenditures amounted to \$23,946,187, compared to \$24,776,522 in September. Total expenditures in October 1966, were \$24,184,050.

Capt. James R. Wright Gets AF Commendation

Capt. James R. Wright, son of Mr. and Mrs. Samuel R. Wright of Lawrence, Mass., has been decorated with the U. S. Air Force Commendation Medal at Maxwell AFB, Ala. Capt. Wright is the husband of the former Miss Elizabeth Fernandez, whose parents, Mr. and Mrs. M. V. Fernandez live on Rural Route One here.

Capt. Wright received the medal for meritorious service as a member of the computer techniques division at Scott AFB, Ill. The captain is one of more than 500 select government officials and officers from U. S. and allied armed forces in the present class at the Air Force Command and Staff College at Maxwell. The curriculum covers advanced military leadership, management and use of aerospace forces.

The 10-month program is part of the Air University's professional education system to prepare officers for higher command and staff positions.

State Contest for Sesquicentennial Stamp Design

The Illinois Sesquicentennial Commission has announced a statewide competition to select a design for a postage stamp commemorating Illinois' 150th year designs of statehood in 1808. Five winning designs will be selected and submitted to the U. S. Post Office Department along with the state's formal application for a commemorative stamp.

If approved by the U. S. Post Office, the stamp will be issued at Shawneetown, Ill., on Feb. 12, 1968.

The contest is open to both amateur and professional designers who are either residents of Illinois, full-time students in Illinois educational institutions or persons employed in Illinois. The Commission will award \$500 for each of the five winning designs. If one of the winning entries is selected by the U. S. Post Office Department, that agency is expected to grant an additional award of up to \$1000 to the designer.

Interested persons may obtain contest rules brochure by writing to the offices of the Illinois Sesquicentennial Commission, 1908 N. Clark street, Chicago, Ill., 60614. The brochures will be distributed during the first two weeks of January 1967. Entries must be received by March 15, 1967, to be eligible for the contest.

Alien Registration Will Begin Jan. 1st

About 500 aliens in the Quad-Cities will be required to report their addresses during January under the federal Alien Address Report Program.

All non-citizens except those in diplomatic status and foreign representatives of certain international organizations are required to file the address report. The address cards will be available at post offices beginning Jan. 1.

Any alien who violates the address report requirement may be subject to serious penalties, it was reported. Aliens who are not in the United States during January must report within 10 days after their return.

Powell Outlines 1967 Highway Safety Program

A highway safety program concerning vehicle inspection, drivers license examination, requirements for motorcycle licenses for minors and an advisory medical board are being outlined by Paul Powell, secretary of state today.

Under the program, which will be presented to the 1967 session of the General Assembly, periodic vehicle inspections at state approved inspection centers would be mandatory. This bill, House Bill No. 1, has already been readied for the legislature.

The bill would require that no vehicle be used on the road without first passing a state safety check, and that all vehicles (annual truck inspections are already being submitted for consideration).

Drivers would be required to have periodic re-examinations before licenses would be renewed under the program, and a special medical review board would advise on the quivalence of the provisions outlined, and that states failing to comply may face loss of federal funds for highway construction, maintenance and beautification.

County Medical Group To Meet Next Tuesday

The Madison County Medical Society will hold the first meeting of the new year at 8 p.m. Jan. 3 at the East Alton Savings and Loan Association, according to an announcement by the newly-elected president, Dr. Felicia D. Koch of Granite City.

Other officers serving during 1967 will be Dr. Harry A. Mittleman, East Alton, president-elect; Dr. Leo R. Green, Alton, secretary; Dr. Henry L. Malench, Edwardsville, treasurer; Dr. W. W. Bowers, Granite City, delegate to the Illinois State Medical Society; Dr. Benjamin Berman, Granite City, alternate.

Also on leave at the present time is Householder's cousin, Albert E. Downs, U. S. Navy, whose parents, Mr. and Mrs. Carl Downs, reside at 64 Cornesche Homes, Madison, Ill. Downs, 19, will return this weekend to Brunswick, Maine, prior to embarking on Jan. 9 for six month's duty in Iceland.

A/2C Seitzer Starts Security Orientation

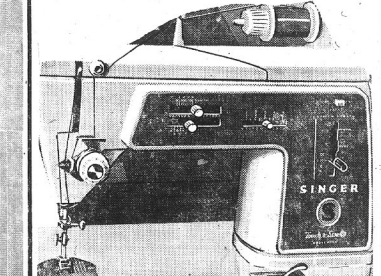

After a two-week leave at home with his parents, Airmen Second Class Keith Seitzer, 26, departed Tuesday for the Goodfellow Air Force Base, San Angelo, Tex., where he will participate in a three-month security orientation program prior to embarking on a special two-year assignment in Southern Germany.

A son of Mr. and Mrs. Donald Seitzer, 2300 East 23rd street, the airman was graduated Dec. 15 from the Defense Language Institute at The Presidio, Monterey, Calif. He received instruction at the Armed Force Institute for several months during which time he became proficient in the Czechoslovakian language.

Seitzer, a 1964 graduate of Granite City high school, enlisted in the U. S. Air Force a year ago. Before attending the institute, he had no knowledge of middle-European languages. He was selected for special training through results of aptitude tests, and other qualifying examinations.

The home of Mrs. Leland Brackett, 2301 Gary avenue, was the place of meeting last night for Xi Epsilon Chi chapter of Beta Sigma Phi. Ten members and a guest, Mrs. Alice Konecny of Collinsville, were present. The meeting was conducted by Mrs. Arlene Haldeman, president, who read a greeting from the international president and the cultural chairman, Mrs. Betty Ebling, outlined programs for the coming months. "We Exchange Time for Experience" was the topic of the program given by Mrs. Ebling. Prize winners were Marcella Ashford. The hostess served a dessert course.

HOLIDAY BRIDE

The former Gail Dieffenbach, a daughter of Mr. and Mrs. Robert C. Dieffenbach of Belleville, and Paul Richard O'Master, 31 Chadwick drive, Belleville, who was married Wednesday evening at First Presbyterian Church, East St. Louis.

The wedding of Miss Gail Dieffenbach, a daughter of Mr. and Mrs. Robert C. Dieffenbach of Belleville, and Paul Richard O'Master, 31 Chadwick drive, Belleville, was held at First Presbyterian Church in East St. Louis.

The Rev. Arthur B. Smith officiated at 7:30 in a Christmas setting.

An Empire A-line gown of rose patterned brocade was worn by the bride. Designed with a bateau neckline and elbow-length sleeves, the bodice was defined with pearl beading. The removable cardinal cord swept into a long train and a bouffant veil of English illusion was secured to a beaded blossom chignon crown.

The bride carried a bouquet of white roses and holly.

Miss Sandra Schack was maid of honor, and Mrs. Thomas Cornell and Miss Carol Nothum, the latter a niece of the bridegroom from Tempe, Ariz., served as bridesmaid and junior maid.

They were velvet floor-length gowns with rounded necklines and tealap sleeves. Matching satin cord defined the Empire waistlines with bows and short streamers in the back.

The honor attendant was in ruby red, and the bridesmaids were similarly attired in bottle green. Headpieces matched their gowns and the bridesmaid carried a white fur trimmed

MISS DONNA MOCK, a daughter of Jesse Mock, Greater Homes, Madison, whose engagement to Charles Staggs, a son of Mr. and Mrs. Russell Staggs, 2420 Edwards street, is announced.

July Wedding Is Planned

Announcement is made of the engagement of Miss Donna Mock, a daughter of Jesse Mock, Apt. 31, Greater Homes, Madison, and Charles Staggs, whose parents are Mr. and Mrs. Russell Staggs, 2420 Edwards street.

The ceremony took place Dec. 24 at Glenview Chapel. The bride is residing with her parents while her husband, a Marine, stationed at Camp Lejeune, is in service.

Plans are made for a July wedding.

HOLIDAY BRIDE Mrs. Paul Richard O'Master, the former Gail Dieffenbach, a daughter of Mr. and Mrs. Robert C. Dieffenbach, 31 Chadwick drive, Belleville, who was married Wednesday evening at First Presbyterian Church, East St. Louis.

The wedding of Miss Gail Dieffenbach, a daughter of Mr. and Mrs. Robert C. Dieffenbach of Belleville, and Paul Richard O'Master, 31 Chadwick drive, Belleville, was held at First Presbyterian Church in East St. Louis.

The Rev. Arthur B. Smith officiated at 7:30 in a Christmas setting.

An Empire A-line gown of rose patterned brocade was worn by the bride. Designed with a bateau neckline and elbow-length sleeves, the bodice was defined with pearl beading. The removable cardinal cord swept into a long train and a bouffant veil of English illusion was secured to a beaded blossom chignon crown.

The bride carried a bouquet of white roses and holly.

Miss Sandra Schack was maid of honor, and Mrs. Thomas Cornell and Miss Carol Nothum, the latter a niece of the bridegroom from Tempe, Ariz., served as bridesmaid and junior maid.

They were velvet floor-length gowns with rounded necklines and tealap sleeves. Matching satin cord defined the Empire waistlines with bows and short streamers in the back.

The honor attendant was in ruby red, and the bridesmaids were similarly attired in bottle green. Headpieces matched their gowns and the bridesmaid carried a white fur trimmed

MISS FOWLER CONDUCTS JOB'S DAUGHTERS MEET

Miss June Fowler, honored queen of Bethel 45, International Order of Job's Daughters, conducted her first meeting as queen Tuesday evening at the Masonic Temple.

Past honored queens escorted and introduced were Miss Diane French, who was guest of honor, Mrs. Eleanor Toddoff and Mrs. Edith Champion. Also escorted and introduced were Mrs. Nell Baskette, guardian of the Bethel, and Dr. E. H. Theis, associate guardian.

Miss Jackie Ross, librarian, gave a reading entitled "On the Real Meaning of Christmas."

Visitors introduced were Mrs. Rosamond Johnson, Miss Joyce Fowler, sister of the new queen, home for the holidays from Northern Illinois University, and Miss Mary Fran Mobley who is attending a nursing school in St. Louis. The latter two guests are former members of the order.

Following the meeting, the Demolays invited the members to attend their annual holiday dance in the downstairs dining room. Refreshments were served by the Mithers Club. The next stated meeting will be held Jan. 10.

WOMEN OF MOOSE PLAN EVENTS

The Women of the Moose met last night with Mrs. Mildred Votoupal, senior regent, in charge, and plans were made for a family banquet in March and a "crazy" auction later in the spring.

Prizes in the games went to Mrs. Edith Rodgers and Mrs. Birdella Meyenburg.

AMVETS AUXILIARY PLANS PROJECTS

Amvets Auxiliary, Post 51, met last night in the Post home, with Mrs. Betty Wilkins in charge. Annual reports from officers were heard and plans were made for projects in 1967.

Mrs. Pauline Wickham was awarded the "queen elephant." A buffet luncheon followed.

HOLIDAY VISITORS

Mrs. Ruth Hadaller of Covington, Ind., with her daughter, Nancy, a student at Purdue University, and son, David, left today for their home where several days visit with the Hadaller family at 2508 Benton street.

Jayceettes to Meet in New Hall

Granite City Jayceettes met Tuesday evening in the home of Mrs. Marge Pennell, 1208 Twenty-seventh street, for a monthly meeting and to review the past month's projects.

Mrs. Sally Herbst, president, presided and a report was submitted by Mrs. Sharon Ritchie on a layette prepared for the first baby born in the new year at the local hospital.

Mrs. Pauline Presley reviewed the annual Jayceette dinner held at Christmas, held in East St. Louis.

Mrs. Donna Wetherholt spoke on a children's party given at the hospital Dec. 22 and on a party held for children of Jaycees and Jayceettes at Tri-Mor Bowl preceding the holiday.

Mrs. Sandy Peterson announced progress in a drive to send a soft drink mix to servicemen in Vietnam and discussed a Christmas basket sent to a needy family during the holidays.

Mrs. Herbst announced the next meeting will be held at the new Jayceette hall on Jan. 31. A white elephant sale also will be conducted.

Mrs. Pennell served refreshments to Mesdames Kathy Jeffries, Betty Lake, Diane Warmhoff, Mickey Patton and those named.

REPUBLICAN WOMEN'S LEAGUE MEETS

The Republican Women's Service League met last night in the home of the president, Mrs. Lily Chaboud, 2865 Ralph street.

The hostess was in charge and the chief topic on the agenda included plans for the new year, beginning with a meeting Jan. 25 to discuss leadership and government.

MARRIED IN CIVIL CEREMONY

Miss Phyllis Waxter, 7014 Tulane avenue, University City, Mo., and Gerald Cohen, 2021 North Hanley road, St. Louis, were married by Judge Magistrate A. Andreas Mateosian Wednesday.

The Curtain Call

It is true that all the world's a stage, and most people want to occupy the critic's seat.

Nameoki

MRS. DONNA HOGAN
3205 Wilshire Drive
TR 7-0127

Mrs. Jerry Short, 2557 Spalding avenue, a patient at Jewish Hospital since Dec. 20, is in Room 345 and will remain there for an indefinite time while undergoing treatment.

Mr. and Mrs. Rex Hogan, 2140 Clark avenue, returned to their home late Monday evening following a Christmas vacation in Michigan.

They spent a week visiting their son-in-law and daughter, Mr. and Mrs. Patrick Lennon and children, Shawn, George, Timothy and Kevin, who reside in St. Clair Shores.

The first birthday of Jay Scott Smith was observed Monday evening with a party given by his parents, Mr. and Mrs. Harry Smith, in their home, 1624 Mitchell avenue.

A buffet luncheon was served by the hosts to Mr. and Mrs. Rupert Haneline, maternal grandparents; Miss Barbara Haneline, an aunt; Mr. and Mrs. Harry Smith, paternal grandparents; and Mrs. Mary Evans, Mr. and Mrs. Albert Delatoye and Kelly Smith, sister of the honoree.

Rotary Club Gets Banner from Belgium

A banner from one steel town to another was presented to the Granite City Rotary Club at its Tuesday luncheon in the YMCA by Claude Potelle from Charleroi, Belgium, an exchange student at Northwestern University.

The student, who later was given a tour of Granite City Steel Co., arranged by Rotarian Richard West, was a guest of Ernest Tosovsky of Home Nursery.

Speaker for the meeting was Randall Robertson, local lawyer, who outlined the powers of the East-West Gateway Coordinating Council in being the controlling agency for the local two-state area in giving approval for grants of federal tax funds.

Next Tuesday the club will tour the handicapped employment center here.

Mrs. Harbison's nephew, Jeff Ehrhardt, accompanied them. All were returning home after spending Christmas with Mrs. Harbison's parents, Mr. and Mrs. Ehrhardt, and her brother and sister-in-law, Mr. and Mrs. Duard Ehrhardt and son, of West Plains, Mo.

Airman 2/c Gary Wright and Airman 2/c Martin Wright of Keeler Air Force Base, Miss., spent the Christmas holidays with their parents, Mr. and Mrs. Harold Wright and a child, Phyllis and Randy, 731 Twenty-eighth street. They left Monday to return to duty. Martin Wright is returning to Keeler and Gary Wright to Champaign Air Force Base, Rantoul, Ill., for 16 weeks of school.

Airman 2/c Jimmy Melton spent the Christmas weekend with his mother, Mrs. Betty Melton, and brothers, Richard and Keith, 3631 Sinclair street. He returned to Keeler Air Force Base, Biloxi, Miss., Monday evening.

Pvt. John Brake is home for the holidays with his parents, Mr. and Mrs. W. C. Pogue, and his brothers and sisters, Terry, Linda, Susan, Cheryl Ann, Carol Sue and Vicki Lynn, 88 Garreche Homes.

He will report back to Fort Lewis, Wash., Jan. 2.

Mr. and Mrs. Bob Boyd and daughters, Suzanne, Sherie and Shelly, 3011 Village drive, visited friends at Chicago and Racine, Wis., Sunday and Monday.

Trailriders to Install

Installation of 1967 officers and a film, "Youth and the Quarter-horse," are planned for a monthly meeting of the Trailriders saddle club at 7:30 p.m. Tuesday, Jan. 3, at the YMCA. The public is being invited. The club is headed by Mrs. Emylee Alford, re-elected as president.

Marriage Licenses Issued

Marriage licenses have been issued in St. Louis to Kenneth A. Bukantas, and Mrs. Waltraud Bukantas, both of Granite City; and Kenneth E. Mulvaney, Le-Claire, Ia., and Schariet F. Overton of Granite City.

Bend Road News

MRS. EILEEN ROBINSON

RETURNS TO AIR BASE

Airman first-class Gordon Freese visited his brother and his family while on Christmas leave. He is to report back to Cannon, N. M., this week.

Mr. and Mrs. Mickey Stinson and children, David and Loren, of Cottage Hills spent the holiday weekend visiting Mrs. Stinson's parents, Mr. and Mrs. Jerry Berger.

HOLIDAY TRAVEL

Mr. and Mrs. John Ragsdale went to Puxico, Mo., for Christmas to visit Mr. and Mrs. John Ragsdale Sr. They then went to Grandin, Mo., to visit Mr. and Mrs. Sam Julius.

Two Fire Hydrants To be Installed in GC
 Installation of two fire hydrants was authorized by a resolution adopted Tuesday night by Granite City Council members, and a request was made later for another installation.
 The fire plugs approved are to be placed at Maryville road and O'Hare avenue and at the north-west corner of West Wilson Park drive. The request was for a hydrant at the end of Yale avenue.

Burglar Repents On Christmas Day
 Eugene Kopp, 2318 Delmar avenue, received a surprise query Christmas Day when he answered the telephone and was asked if he was having a happy Christmas.
 Kopp said the caller had the voice of a middle-aged woman, and when he questioned her as to why she was inquiring, she asked another question: "Have you looked in your mailbox?"
 In the front porch mailbox, Kopp found his new Moose Lodge ring worth \$35 and a heirloom pocket watch he valued at \$150 that were taken in a burglary two weeks earlier.
 Still missing, he said, are nine silver dollars worth about \$12. There was no sign of a forced entry in the burglary.

PKU Tests Find Disease In 8 Illinois Babies
 St. Elizabeth Hospital officials recently were advised that during the night apparent cases of phenylketonuria had been identified in new born infants in Illinois. None were reported here.
 Commonly known as P.K.U., the metabolic disorder, due to an inborn error of metabolism in the body, causes mental retardation unless the diet of the child is modified by use of a special dietary product.
 The local hospital was one of the pilot hospitals to start the P.K.U. screening program when it was first initiated in December 1963. All new born babies here are given the simple testing procedure while a few days old. Tests are performed free of charge by the Illinois Department of Public Health.
 In his report to St. Elizabeth officials, William J. Dewey, chief of the heritable metabolic diseases section for the Illinois public health department, said that in all likelihood most of the cases diagnosed would have caused irreversible brain damage had the screening not been performed and treatment initiated immediately.

Area Schools To Offer Special Business Courses
 Special business educational courses, conferences and seminars, sponsored by the Small Business Administration in cooperation with educational institutions, will begin about Feb. 1, it was announced today.
 Sessions will be presented at Washington University, St. Louis University, Meramec Community College, Buder School and O'Fallon technical high school during the spring term.
 All classes are held in the evening for a period of two hours and include such subjects as labor relations, bookkeeping, business letter writing, salesmanship, advertising, franchising, world trade (exporting), tax management, entrepreneurship, accounting, and business mathematics.
 Registration forms and other information may be obtained from T. C. Crest, business and industry specialist, SBA, 208 North Broadway, St. Louis 63102.

Five Driver Licenses Revoked or Suspended
 Licenses of two area drivers were revoked and three others were suspended by Secretary of State Paul Powell, it was announced today.
 Revoked for driving while intoxicated were the licenses of Ruby Brent, 207 Allen street, and Hubert L. Dixon, 2903 Emme street, Granite City.
 Suspended were licenses of Harold W. Ballentine, 1601 Third street, Madison, for three violations; Griffin B. Stuart, 2948 Center street, for three violations; and David L. Bowman, Rural Route One, for violating a restriction on his license or permit.
 A probationary permit was issued to Charles E. Ficker sr., 1609 Third street, Madison.

ORDINANCE NO. 2411

AN ORDINANCE PROVIDING FOR A STOP SIGN ON THE SOUTHEAST CORNER OF MAPLE STREET AT NIDRINGHAUS IN THE CITY OF GRANITE CITY, ILLINOIS. BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS: SECTION 1: That the following intersection located at the following location be closed to the traffic at said location by drivers of vehicles who will be governed and directed to stop as indicated by the sign erected at said following location: Location: Maple and Nidringhaus. Present Control: None. Effective Control: Stop sign on southeast corner of Nidringhaus and Maple, stopping north-bound traffic on Maple. SECTION 2: The Superintendent of Public Works is hereby authorized and directed to post appropriate signs along and upon the street for the purpose of enforcing this Ordinance. SECTION 3: This Ordinance shall be in full force and effect from and after its passage, approval and publication, as provided by law, and upon the institution of the proper control sign at said location by the Superintendent of Streets. SECTION 4: Any person, firm or corporation violating any provision of this Ordinance shall be punished by a fine of not less than \$10.00 and not more than One Hundred Dollars (\$100.00). SECTION 5: All Ordinances in effect heretofore are hereby repealed. PASSED BY THE City Council of the City of Granite City, Illinois, this 19th day of December, A.D., 1966. APPROVED BY THE Mayor of the City of Granite City, Illinois, this 22nd day of December, A.D., 1966. DONALD PARTNEY Mayor HOMER PENDELTON City Clerk (12-29)

NOTICE OF CLAIM DATE

Notice is hereby given to all persons that the first Monday in February, 1967, is the Claim Date in the estate of BYRD LLOYDE KINGERY, deceased, pending in the Circuit Court of the Third Judicial Circuit, Madison County, Illinois, Probate Division, that claims may be filed against the said estate on or before said date without issuance of summons. Dated this 9th day of December, 1966. J. MARSHALL H. SMITH, Executor.

NOTICE OF CLAIM DATE

MORE ABOUT

Council Rejects

termination of the engineering contract with Shepard, Morgan & Schwaab, the council was cautioned by City Atty. Allen that the city could be held liable for damages, and Alderman Sternberg pointed out it was certain the firm would take the matter to court.

Sternberg added that the move to cancel the contract was a "vindictive pressure from a handful of aldermen."

The contract was signed April

7, 1960, and opposing aldermen termed it an "open and ended" that could be canceled. "Did we give them a lifetime contract for these sewers?" Alderman Basarich asked.

Nonn said he was advised the city could cancel such a contract, and Moerlein added it was his opinion that when voters rejected the master sewer and drainage program several years ago that ended the contract, "I don't want to go through another job with the firm," he added.

As the debate continued, Alderman Fry said that with the contract, the city could pay double for engineering. Sternberg added

that the council's action of termination was in reality a breach of contract. Thompson pointed out the city has a four-page legal opinion from former city attorney Leo Korzen that upholds the validity of the contract.

Refusing to cancel the contract were Aldermen Nonn, Whitmer, Basarich, Bartoski, Boyd, Dallas, Moerlein, Parmley, Robertson, Poulos and Green. Voting against it were Rutledge, Sternberg, Thompson and Fry. Johnson declined to vote.

Final acceptance of the city sewage treatment plant still is pending, and Alderman Moerlein, chairman of the Special Pollution

committee, again called for non-payment of the final amount to the contractor, Nelson Construction Co. The amount being withheld is \$8761. Moerlein stated the engineer has not met with the committee to go over final details. The engineer contends his firm has complied with all requests received from the committee.

GC Man Fined \$50. Costs Andrew J. Gladden, 60, of 2332 Adams street, was fined \$50 plus \$5 costs Wednesday in magistrate's court on a charge of illegal transportation of liquor. The charge was filed Dec. 14 by Venice police.

Mrs. Maude Scruggs, 75, Dies; 40-Year Resident

Mrs. Maude Scruggs, 75, of 2447 Benton street, who was active in local women's organizations, died at 8:55 a.m. yesterday at St. Elizabeth Hospital. She had been ill for 22 days and in hospital the same length of time.

A local resident for 40 years, Mrs. Scruggs was born in Portage, Mo. She was a member of the Granite Chapter 650, Order of the Eastern Star; Gabriel Shrine No. 78, White Shrine of Jerusalem; and Niederrhein Memorial Methodist Church. Her husband, Harry Scruggs, died in 1961.

Man Faces Two Charges

Jerry R. Varady, 38, of 2245 Lee avenue, was charged with intoxication and disorderly conduct at 9:50 p.m. Wednesday and he was arrested at 24th street and Madison avenue. He was released on \$50 cash bail today pending a hearing set for Jan. 16.

Mrs. Scruggs is survived by a niece, Mrs. Betty Martin of Granite City; and two sisters-in-law, Mrs. Mabel Hinkle of Mason, Ill., and Mrs. Wilma Laferty of Cincinnati, O.

Funeral arrangements are given in today's obituary column.

MORE ABOUT

Petitions

have yet been received at Venice. E. J. Miller, of Madison said at the clerk's office there that petitions are available but no requests have yet been received. Madison will elect five aldermen to four-year terms.

The township election in Granite City will be held simultaneously with township elections in Chouteau, Nameoki and Venice townships on the April 4 date. Off-year elections are to be conducted in 1967, however, and as a result the only township off-
